## **HOUSE . . . . . . . . . . . . . . . . No. 124**

By Messrs. Jones of North Reading and Hill of Ipswich, a petition (accompanied by bill, House, No. 124) of Bradley H. Jones, Jr., Bradford Hill and others for an investigation by a task force (including members of the General Court) relative to the economic and regulatory impacts of fifth generation (5G) cellular mobile communications. Advanced Information Technology, the Internet and Cybersecurity.

### The Commonwealth of Massachusetts

In the One Hundred and Ninety-Second General Court (2021-2022)

An Act relative to a 5G technology task force.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

There shall be a special task force to review and report on the economic and regulatory impact of the emergence of fifth generation (5G) cellular mobile communications in

- 3 Massachusetts to ensure fairness among citizens and businesses in Massachusetts. The task force
- 4 shall consist of 9 members: the house and senate chairs of the joint committee on economic
- 5 development and emerging technologies, who shall serve as the co-chairs of the task force; a
- 6 member of the general court appointed by the senate minority leader; a member of the general
- 7 court appointed by the house minority leader; the executive director of the Massachusetts
- 8 Technology Leadership Council, or a designee; the executive director of the Massachusetts
- 9 Technology Collaborative, or a designee; and 3 persons to be appointed by the secretary of labor
- and workforce development, 1 of whom shall be an employee of the commonwealth in the office

of the secretary of housing and economic development, and 2 of whom shall be selected from a list of 5 persons nominated by the Massachusetts Business Roundtable.

This task force shall: (i) identify and review the current state laws, regulations, and administrative directives for wireless cellular mobile communications; (ii) identify the key sectors and regions that would best benefit from improved legislation, regulations, and administrative directives for 5G cellular mobile communications; (iii) require the department of housing and economic development to submit reports to the legislature it obtains from cellular and cellular technology companies; and (iv) develop recommendations to establish legislative procedures that provide proper regulation and innovation.

The task force shall submit a report, including any draft legislation and regulations, to the clerks of the house of representatives and the senate within 12 months of the passage of this act.
