311 shall not be subject to appropriation or transfer by the Legislature for any other purpose. The
312 funds in the Neighborhood Safety and Opportunity Trust Fund may be used without regard to
313 fiscal year.

314 (b) There shall be a Board of Directors to consist of thirteen members to be appointed by
315 the Secretary of Housing and Economic Development, with the approval of the Governor. Said
316 Board of Directors shall advise the commissioner in matters relating to job training, job creation
317 and job placement and will consist of the following members: the Commissioner of
318 Neighborhood Safety and Opportunity or a designee of; not less than six (6) members shall be

326 member, his successor shall be appointed for a term of four years. Said members shall elect a
327 chairman and shall meet at least quarterly. They shall serve without compensation, but shall be
328 reimbursed for expenses necessarily incurred in the performance of their duties. If any member is
329 absent from two regularly scheduled quarterly meetings in any one calendar year, the office of
330 such member may be declared vacant by the chairman. Upon notification by the chairman that a
331 vacancy exists, the Secretary of Housing and Economic Development shall appoint, with the
332 approval of the governor, another member to fill the unexpired term.

333 (c) The fund shall be under the direction, supervision and control of the commissioner of
334 neighborhood safety and opportunity, called the commissioner, who shall be appointed by the
335 Board of Directors with the approval of the Governor, and who shall serve at the pleasure of the
336 Board of Directors and may be removed by the Board of Directors at any time, subject to the
337 approval of the Governor. The position of commissioner shall be classified in accordance with
338 section 45 of chapter 30 of the General Laws, as appearing in the 2012 Official Edition and the
339 salary shall be determined in accordance with section 46C of said 30 and the commissioner shall
340 devote full time during business hours to the duties of this office.

341 (d) The commissioner with the advice of the Board of Directors will have sole charge of
342 the supervision and administration of the fund.

343 (e) The commissioner may promulgate, in accordance with the provisions of chapter 30 A
344 of the General Laws, rules and regulations relating to the services provided by the commission.

345 (f) The commissioner may also appoint such other personnel as may be deemed
346 necessary for the efficient management of the fund.

347 (g) The total expenditure from the fund for administration, including salaries and benefits
348 of the commissioner and staff described in subsections (a) through (u) of this section, shall not
349 exceed 5% of the total amount disbursed by the fund in any given fiscal year.

350 (h) If an employee of the commonwealth or of a political subdivision, as defined in
351 section one of chapter thirty-two, shall be appointed to any such position, , and later, upon
352 conclusion of his service to the Trust Fund, be restored to his previously held civil service
353 position, such restoration shall be made without impairment of the employee's civil service
354 status or tenure under section 9A of chapter 30 and without loss of seniority, retirement or other
355 rights to which uninterrupted service in such position would have entitled the employee. During
356 the period of such appointment each person so appointed from a classified civil service position
357 shall be eligible to take any competitive promotional examination for which he would have
358 otherwise been eligible.

359 (i) The monies in the Neighborhood Safety and Opportunity Trust Fund shall be
360 appropriated for the purpose of righting an unbalanced economy by creating opportunities for job
361 training, job creation, and job placement for those who face high barriers to employment. The
362 target population is defined as any person who meets two or more of the following
363 characteristics: is under 25 years of age; is a victim of violence; is a veteran; does not have a
364 high school diploma (if over 18 years of age); has been convicted of a felony; has been

365 unemployed or has had family income below 250% of the federal poverty level for six months or
366 more; or lives in a census tract where over 20% of the population fall below the federal poverty
367 line.

368 (j) By September 15 of each fiscal year, the Secretary of Housing and Economic
369 Development shall publicly request proposals from private and public agencies regarding the use
370 of funds from the Neighborhood Safety and Opportunity Fund. Eligible programs shall exhibit a
371 model of creating employment opportunities for members of the target population, or, in the case
372 of programs serving a target population aged 20 years and under, may instead demonstrate a
373 model of building within such members the skills necessary for future employment. Such model
374 shall be supported by research and evaluation, and may include: transitional employment
375 programs; social enterprise; pre-apprenticeship or other training programs; school- or
376 community-based high school dropout prevention and re-engagement programs; cooperative and
377 small business development programs; and community-based workforce development programs.
378 Components of successful programs may include, but are not limited to: job training in both “soft
379 skills” and skills identified as lacking in growth industries; stipends or wage subsidies; serving as
380 employer of record with private employers; case management; cognitive behavioral therapy; and
381 supports such as child care vouchers or transportation assistance. The Trust may give priority to
382 programs that include access to services such as addiction treatment and trauma-informed mental
383 health care as relevant to the Trust’s mission, but such services by themselves are not eligible to
384 be funded by the Trust. Training programs that do not include a strong presumption of full
385 employment by a specific employer, or entry into a bona fide apprenticeship program recognized
386 by the Commonwealth of Massachusetts, upon successful completion by each participant shall
387 not be eligible for funding; provided that high school dropout prevention and re-engagement

388 programs need not include said presumption. Eligible employment programs must engage
389 participants in employment at a living wage and may use funds from the Trust to provide a wage
390 subsidy for up to 24 months in order to achieve that goal

391 (k) An employer may not employ an individual for a position funded under this Act, if--

392 (1) employing such individual will result in the layoff or partial displacement (such as a
393 reduction in hours, wages, or employee benefits) of an existing employee of the employer; or

394 (2) such individual will perform the same or substantially similar work that had
395 previously been performed by an employee of the employer who has been laid off or partially
396 displaced (as such term is described in subclause (1); and has not been offered by the employer
397 to be restored to the position the employee had immediately prior to being laid off or partially
398 displaced.

399 (3) An individual may not be hired for a position funded under this Act in a manner that
400 infringes upon the promotional opportunities of an existing employee (as of the date of such
401 hiring) of an employer receiving funds under this Act.

402 (l) Any employer that employs an individual whose employment is funded under a grant
403 from the Trust shall--

404 (1) continue to employ such individual for not less than 12 months, subject to the
405 individual's satisfactory performance of the reasonable requirements of the individual's
406 employment;

407 (2) if such an individual desires full-time employment, employ such individual for not
408 less than 35 hours per week and not more than 40 hours, and if such an individual desires part-

409 time work, employ such individual for a mutually agreed number of hours per week that is less
410 than 35 hours per week;

411 (3) comply with responsible contractor standards, as determined by the relevant official
412 in the unit of local government;

413 (4) provide compensation to such individual on a per hour basis equal to the
414 compensation provided to public sector employees who perform similar work in the community
415 where such individual is employed or, if no public sector employees perform such similar work,
416 provide compensation to such individual that is comparable to the compensation provided to
417 private-sector employees who perform similar work in the community where such individual is
418 employed;

419 (5) if such employment is in construction, provide compensation to any laborer or
420 mechanic employed under the grant at rates not less than those prevailing on similar construction
421 in the locality

422 (m) No individual whose employment is funded under the grant may work for an
423 employer at which a collective bargaining agreement is in effect covering the same or similar
424 work, unless--

425 (1) the consent of the union at such employer is obtained; and

426 (2) negotiations have taken place between such union and the employer as to the terms
427 and conditions of such employment.

428 (n) The existence of a felony record shall not be a barrier to hiring, training, or otherwise
429 engaging a participant in employment under this Act, unless the specific conditions of

430 employment and the nature of a specific charge on the criminal record combine so as to present a
431 clear risk to the safety of a vulnerable population. Employers who do not follow such a policy
432 shall not be eligible to receive funds or benefit from wage subsidies under this Act.

433 (o) Recipients of grants under the Neighborhood Safety and Opportunity Trust Fund
434 shall comply with data collection and evaluation requirements as established by the
435 commissioner, to ensure the effectiveness of programs funded under this Act.

436 (p) All contracts granted by the Neighborhood Safety and Opportunity Trust Fund will
437 include reporting on outcomes related to the recidivism, employment attainment/retainment,
438 and/or educational attainment, as appropriate, of participants served. The Board of Directors
439 shall create the rules associated with requests for proposals that prioritize the attainment and
440 performance measurement of all outcomes listed above.

441 (q) Every three years, the Auditor shall conduct an audit of the grant programs operated
442 by the agencies specified in paragraph (a) to ensure the funds are disbursed and expended solely
443 according to this chapter and shall report his or her findings to the Legislature and the public.

444 (r) Any costs incurred by the Auditor and the Secretary of Administration and Finance in
445 connection with the administration of the Neighborhood Safety and Opportunity Trust Fund,
446 including the costs of the calculation required by subsection a(1) and the audit required by
447 subsection 3(s) shall be deducted from the Neighborhood Safety and Opportunity Trust Fund
448 before grants are disbursed pursuant to subsection 3(g).

449 (s) The Board of Directors shall develop rules and regulations for calculating the savings
450 resulting in all measures related to Sections 1-42, which shall account at a minimum for the
451 variable costs averted, such as food and medical expenses, and also consider fixed expenditures

452 that are avoided if larger numbers of potential inmates are avoided; The Board of Directors, with
453 approval from the Secretary of Administration and Finance, shall determine the rules associated
454 with appropriating all monies into the Neighborhood Safety and Opportunity Fund based upon
455 all savings. The Board of Directors shall contract with a third party agency that has experience in
456 the provision of criminal justice cost avoidance analyses for states, that will provide a report
457 summarizing all savings, both actual and best available forecasted estimates based upon the
458 calculation rules set forth by the Board of Directors. Such Annual Cost Avoidance Report will be
459 delivered to the Secretary of Administration and Finance within 30 days of the ending of each
460 fiscal year.
