An Act relative to transparency in clerk magistrate hearings.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Section 35A of chapter 218 of the General Laws, as appearing in the 2018 Official  
2 Edition, is hereby amended by adding the following paragraph:-

3 "Any hearing held pursuant to this section, and any record associated with such hearing,  
4 shall be presumed to be open to the public unless the court, or said officer thereof, makes a  
5 written finding, for good cause shown, that the defendant's interest in privacy outweighs the  
6 public's right of access. Any such finding shall be made only after a hearing on the record, in  
7 which the court may permit an interested non-party, who files a notice of appearance limited to  
8 participation in the proceeding, to be heard. Any such finding shall state with specificity the  
9 reason for closing the hearing and shall be narrowly tailored to said reason. All hearings held  
10 pursuant to this section shall be taken stenographically or recorded and transcribed."
