HOUSE No. 01506

By Mr. James J. O'Day of West Boylston, petition (accompanied by bill, House, No. 01506) of Kevin Aguiar and others relative to prohibiting mandatory overtime for certain health care workers. Joint Committee on Public Health.

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act protecting patients from preventable medical errors by prohibiting mandatory overtime.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 111 of the general laws, as appearing in the 2006 Official Edition, is
2 hereby amended by inserting after section 56 the following sections:-

3 Section 56A. In sections 56A to 56B, inclusive, the following words shall have the following
4 meanings:

5 “Health Care Workforce”, personnel that have an effect upon the delivery of quality care to
6 patients, including, but not limited to, licensed practical nurses, unlicensed assistive personnel
7 and/or other service, maintenance, clerical, professional and/or technical workers and other
8 healthcare workers.

9 “Hospital”, a hospital licensed under section 51 of chapter 111, the teaching hospital of the
10 University of Massachusetts medical school, a licensed private or state-owned and state-operated
11 general acute care hospital, or an acute care unit within a state-operated facility; provided,

12 however, that “hospital” shall not include a licensed non-acute care hospital classified as an
13 inpatient rehabilitation facility, or a long term care hospital.

14 “Nurse”, a registered nurse licensed under section 74 of chapter 112 or a licensed practical nurse
15 licensed under section 74A of said chapter 112.

16 “Mandatory Overtime”, any employer request with respect to overtime, which, if refused or
17 declined by the employee, may result in an adverse employment consequence to the employee.
18 The term mandatory overtime with respect to an employee means any hours worked by a nurse
19 or the health care workforce to deliver patient care, beyond the predetermined and regularly
20 scheduled number of hours that the employer and employee have agreed that the employee shall
21 work.

22 Section 56B. (a) A hospital shall not require or permit a nurse to work more than 12 hours in any
23 given shift or to exceed 16 hours in a 24 hour period. A nurse may not be disciplined, dismissed
24 or discharged for refusing to work beyond the hours specified in this paragraph. A nurse who
25 works 12 consecutive hours in a shift shall be given at least 8 hours off from any work between
26 shifts.

27 (b) Except in cases of a federal or state government declared public emergency, or a facility-wide
28 emergency, no facility may employ mandatory overtime for either nurses or the health care
29 workforce.

30 (c) Nothing in this section shall be construed to limit, alter or modify the terms, conditions or
31 provisions of a collective bargaining agreement entered into by the hospital.
