27 as defined by section 6D of Chapter 20 of the 2010 General Laws, is hereby authorized to  
28 develop and implement flexible financing programs, including loans, grants, and technical  
29 assistance to support the development, renovation, and expansion of food stores, farmers markets  
30 and other retailers selling healthy, fresh and locally-grown food in underserved communities.

31 (b) The CDFI shall work with existing state and federal agencies including but not  
32 limited to the United States Departments of Treasury, the United States Department of  
33 Agriculture, the Massachusetts Executive Office of Housing and Economic Development, the
