 HOUSE
 , NO. 3362 OF 2009-2010.]

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act relative to historic preservation.

Whereas, the deferred operation of this act would tend to defeat its purpose, which is forthwith to subject the Massachusetts Bay Transportation Authority to the historic preservations regulations and laws, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 SECTION 1. Section 3 of chapter 161A of the General Laws, as appearing in the 2008 Official
- 2 Edition, is hereby amended by striking subsection (i), and inserting in place thereof the
- 3 following subsection:-

4 3(i) To provide mass transportation service, whether directly, jointly or under contract, on an
5 exclusive basis, in the area constituting the authority and without being subject to the jurisdiction
6 and control of the department of telecommunications and energy in any manner except as to
7 safety of equipment and operations and, with respect only to operations of the authority with
8 equipment owned and operated by the authority, without, except as otherwise provided in this
9 chapter, being subject to the jurisdiction and control of any city or town or licensing authority;
10 provided that schedules and routes shall not be considered matters of safety subject to the
11 jurisdiction and control of said department. Except as otherwise provided in this chapter, the
12 board shall determine the character and extent of the services and facilities to be furnished, and
13 in these respects their authority shall be exclusive and shall not be subject to the approval,
14 control or direction of any state, municipal or other department, board or commission except the
15 advisory board as provided in this chapter and except that the board's authority shall be subject
16 to the approval, control or direction to the maximum extent allowable of any federal, state or
17 municipal department, board or commission that has the authority to regulate a historic district,
18 properties listed on the National Register of Historic Places, the State Register of Historic Places
19 or a local equivalent, or properties that have received city, state, or federal landmark status.
20 Nothing contained in this paragraph shall be construed as exempting any privately owned or
21 controlled carrier, whether operating independently, jointly or under contract with the authority,
22 from obtaining any license required under section 1 of chapter 59A.
