**HOUSE . . . . . No. 1954**

---

By Ms. Decker of Cambridge, a petition (accompanied by bill, House, No. 1954) of Marjorie C. Decker and others for legislation to establish a just transition to clean energy office within the Department of Career Services of the Executive Office of Labor and Workforce Development. Labor and Workforce Development.

---

**The Commonwealth of Massachusetts**

**In the One Hundred and Ninety-Second General Court  
(2021-2022)**

An Act relative to a just transition to clean energy.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 23 of the General Laws, as appearing in the 2018 edition, is hereby  
2 amended by adding the following section:-

3 Section 26. Just Transition to Clean Energy

4 (a) In the department of career services, within the executive office of labor and  
5 workforce development, there shall be a just transition office. The office shall ensure that  
6 workers employed in the energy sector who are displaced due to efforts by the commonwealth or  
7 the private sector to reduce greenhouse gas emissions or transition from fossil fuels to clean  
8 energy have immediate access to employment and training opportunities in clean energy  
9 industries and related fields. The just transition office shall also work with clean energy  
10 businesses to ensure they act as responsible employers to further the commonwealth’s workforce  
11 and economic development goals. The just transition office shall also work to increase access to

12 employment and training opportunities in clean energy industries and related fields for residents  
13 of environmental justice communities.

14 (b) The secretary of labor and workforce development shall appoint the director of the  
15 office.

16 (c) Within the office there shall be a just transition advisory committee consisting of: (1)  
17 the director of the office; (2) the secretary of labor and workforce development and the  
18 commissioner of the department of energy resources, or their designees; (3) the director of the  
19 office of clean energy equity in the executive office of energy and environmental affairs; (4) a  
20 representative of employers in the gas utility sector appointed by the governor; (5) a  
21 representative of employers in the electric power generation sector appointed by the governor;  
22 (6) a representative of employers in the renewable electricity sector appointed by the governor;  
23 (7) a representative of employers in the energy efficiency sector appointed by the governor; (8) a  
24 representative of employers in the clean transportation sector appointed by the governor; (9) a  
25 representative of employers in the clean heating sector appointed by the governor; (10) a  
26 representative of employees in the gas utility sector appointed by the president of the  
27 Massachusetts AFL-CIO; (11) a representative of employees in the electric power generation  
28 sector appointed by the president of the Massachusetts AFL-CIO; (12) two representatives of  
29 employees in the clean energy sector appointed by the president of the Massachusetts AFL-CIO;  
30 (13) a representative of employees in the transportation sector appointed by the president of the  
31 Massachusetts AFL-CIO; (14) the president of the Massachusetts Building Trades Council or a  
32 designee, and (15) two representative of environmental justice communities appointed by the  
33 director of the office of clean energy equity.

34 (d) The committee shall be tasked with developing a just transition plan for the energy  
35 sector that identifies workers currently employed in the sector by industry, trade, and job  
36 classification, and contains relevant information including, but not limited to, current wage and  
37 benefit packages and current licensing, certification and training requirements. The committee,  
38 through the just transition plan, shall recommend education and training programs to enhance re-  
39 employment opportunities within the energy sector, and services to support dislocated workers  
40 displaced from jobs within the energy sector as a result of emissions-reducing policies and  
41 advancements in clean energy technology. The just transition plan shall also recommend actions  
42 to increase opportunities for residents of environmental justice communities to work in clean  
43 energy industries.

44 (e) The just transition plan shall include provisions to:

45 (1) Administer climate adjustment assistance benefits that are similar in type, amount,  
46 and duration to federal Trade Adjustment Assistance Benefits available pursuant to 20 CFR  
47 617.20–617.49;

48 (2) Educate dislocated workers, in collaboration with employers of dislocated workers  
49 and relevant labor unions, on re-employment or training opportunities, and how to apply for  
50 climate adjustment assistance benefits;

51 (3) Provide training, cross-training, and re-training to workers displaced by gas  
52 infrastructure loss in the commonwealth’s local distribution companies and related businesses;

53 (4) Address the workforce development challenges of the fossil fuel energy sector’s  
54 shrinking workforce over the course of the commonwealth’s 25-year transition to a clean energy  
55 economy;

56 (5) Incentivize the hiring of displaced energy sector workers with utilities, clean energy  
57 industries, and related industries;

58 (6) Work with the Massachusetts Clean Energy Center to ensure that training and  
59 employment opportunities for displaced energy sector workers are included in their initiatives,  
60 incentives, funding opportunities, and projects;

61 (7) Work with the department of public utilities and other agencies regulating the energy  
62 sector within the commonwealth to coordinate just transition initiatives, complementing the other  
63 regulatory priorities of those agencies;

64 (8) Establish a fund to implement the just transition plan and its components, including  
65 potential sources for sustainable short-term and long-term funding;

66 (9) Develop requirements, including the submission of a workforce reduction plan, for  
67 energy sector employers that are closing a facility or significantly reducing their workforces as a  
68 result of efforts by the commonwealth or the private sector to reduce greenhouse gas emissions  
69 or transition from fossil fuels to clean energy; and

70 (10) Increase access to employment and training opportunities in clean energy industries  
71 and related fields for residents of environmental justice communities.

72 (f) Employers described in paragraph (9) of subsection (e) shall submit a workforce  
73 reduction plan to the office. Workforce reduction plans shall be subject to section 10 of chapter  
74 66 and shall include:

75 (1) The reasons for the workforce reduction or facility closure;

76 (2) The total number of workers by job classification and by geographic assignment  
77 employed by the employer;

78 (3) The total number of workers whose existing jobs who will be retained, by job  
79 classification and geographic location;

80 (4) The total number of workers whose existing jobs will be eliminated by the workforce  
81 reduction or the closure of a facility, by job classification and geographic location;

82 (5) Whether each classification of workers whose jobs are being eliminated will be  
83 offered employment in any other job classification or capacity by the employer; how many  
84 employees in each classification will be offered employment; and whether the replacement  
85 employment offered will provide comparable wages, benefits, and working conditions;

86 (6) Whether the employer is offering severance or early retirement benefits to impacted  
87 workers; the value of the severance or early retirement benefits; whether the severance or early  
88 retirement benefits are being provided to all or certain classes of workers; and how many  
89 impacted workers intend to utilize these offerings;

90 (7) Whether the employer plans to transfer the work to a separate facility, enter a  
91 contracting agreement for work previously performed by company employees, or otherwise  
92 outsource work previously performed by company employees; and

93 (8) Whether the employer is a recipient of loans, grants, tax increment financing, or any  
94 other financial incentive from the commonwealth, its independent state agencies, departments, or  
95 corporations, or any municipality within the last 5 years.
