An Act relative to inshore resource depletion

□.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Chapter 130 of the General Laws is hereby amended by inserting after section 95  
2 the following section:-

3 Section 95A. The director shall promulgate regulations and rules, including a system of fines,  
4 prohibiting the use of all midwater trawl and pair trawling for herring in Massachusetts waters,  
5 shall establish herring fishery rules and regulations that are compatible with regional efforts to  
6 rebuild valuable groundfish resources, including, but not limited to maximum vessel size  
7 permitted to fish within coastal waters, shall establish rules and regulations creating coastal  
8 herring fishing buffer zones, shall establish rules and regulations minimizing by catch mortality

9 of groundfish, bluefin tuna and striped bass and shall increase observer coverage and establish a  
10 weight-based landing accounting system for all vessels targeting herring.
