HOUSE No. 2113

By Ms. Malia of Boston, a petition (accompanied by bill, House, No. 2113) of Elizabeth A. Malia and John F. Keenan for legislation to remove administrative barriers to behavioral health services. Mental Health, Substance Use and Recovery.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act to remove administrative barriers to behavioral health services.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 19 of chapter 118E of the General Laws, as appearing in the 2018
2 Official Edition, is hereby amended by adding after the first paragraph, the following new
3 paragraph:-

4 The division and its contracted health insurers, health plans, health maintenance
5 organizations, behavioral health management firms and third party administrators under contract
6 to a Medicaid managed care organization or primary care clinician plan shall not require
7 preauthorization or prior authorization before obtaining medically necessary mental health
8 services within an inpatient psychiatric facility, a community health center, a community mental
9 health center, an outpatient substance use disorder provider, a hospital outpatient department, a
10 community based acute treatment program, or an intensive community based acute treatment
11 program; provided that the facility or provider shall provide the division or its contractors
12 notification of admission within 48 hours of admission; provided further, that utilization review

13 procedures may be initiated after 48 hours of admission; and provided further, that Emergency
14 Service Program teams, so-called, as contracted through MassHealth to conduct behavioral
15 health screenings, shall not be considered a preauthorization or prior authorization requirement
16 pursuant to any admission under this section. Medical necessity shall be determined by the
17 treating healthcare provider and noted in the member's medical record.
