An Act establishing a commission on quality patient outcomes and professional nursing practice.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 6 of the General Laws, as appearing in the 2020 Official Edition, is  
2 hereby amended by adding the following section: –

3           Section 221. (a) There shall be a commission on nurse staffing in hospitals located  
4 within, but not subject to the control of the executive office of health and human services. The  
5 commission shall review and make recommendations regarding best nurse staffing practices  
6 designed to improve the patient care environment, quality outcomes and nurse satisfaction.

7           (b) (1) The commission shall consist of 17 members, as follows: the secretary of health  
8 and human services or a designee, who shall serve as the chair; the attorney general or a  
9 designee; the executive director of the health policy commission or a designee; the house chair of

10 the joint committee on health care finance; the senate chair of the joint committee on health care  
11 finance; one person appointed by the speaker of the house; one person appointed by the senate  
12 president; and one representative from each of the following 10 organizations: American Nurses  
13 Association Massachusetts, Inc.; Emergency Nurses Association of Massachusetts State Council;  
14 Academy of Medical Surgical Nursing, Massachusetts Chapter; Massachusetts Nurses  
15 Association; Organization of Nurse Leaders; the Massachusetts Health and Hospital Association,  
16 Inc.; Service Employees International Union; Massachusetts Health Council; American  
17 Association of Retired Persons; and Health Law Advocates.

18 (2) Members of the commission shall serve for a term of 4 years, without compensation.  
19 Any member shall be eligible for reappointment. Vacancies shall be filled in accordance with  
20 paragraph (1) for the remainder of the unexpired term. Any member who is appointed by the  
21 governor may be removed by the governor for cause.

22 (c) The commission may establish advisory committees to assist its work.

23 (d) The commission shall:

24 (1) examine evidence based, tested and validated research on patient care quality  
25 outcomes relative to nurse staffing levels;

26 (2) examine evidence based, tested and validated research on appropriate staffing levels  
27 for all units within a hospital;

28 (3) examine nursing standards of care and recommended nurse staffing levels established  
29 by specialty nursing organizations;

30 (4) examine approaches undertaken by other states by statute or regulation to address the  
31 issues of patient safety and patient quality outcomes relative to nurse staffing;

32 (5) examine any barriers to reasonable and efficient enforcement of staffing standards  
33 adopted in other jurisdictions;

34 (6) develop strategies for collaborative practice amongst registered nurses and other  
35 members of the health care team;

36 (7) comment on nurse staffing in non-hospital settings;

37 (8) hold public hearings on at least an annual basis and meetings to accept comment from  
38 the general public and to seek advice from experts, including but not limited to the  
39 Massachusetts Board of Registration in Nursing;

40 (9) submit an annual report to the legislature as provided in subsection (e) on the state of  
41 hospital staffing in the commonwealth.

42 (e) The commission shall file an annual report, on or before March 1, with the joint  
43 committee on health care financing on its activities and any statutory or regulatory  
44 recommendations.

45 The commission shall monitor the implementation of its recommendations and update  
46 recommendations to reflect current science and evidence-based practice.
