An Act to enhance, update and protect the 2013 Motor Vehicle Right to Repair Law and Consumer Rights.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 1. Section 1 of Chapter 93K of the General Laws is hereby amended by inserting  
2 after the definition of “Manufacturer” the following definition:- “Mechanical Vehicle Data”, any  
3 telematics data in a vehicle related to the diagnosis, repair or maintenance of that vehicle.

4           Section 1 of said Chapter 93K is hereby further amended by inserting after the definition  
5 “Owner” the following new definition “Telematic System” Any system in a vehicle that collects  
6 and stores information generated by the operation of the vehicle utilizing wireless  
7 communications to transfer that information electronically. Such systems include, but are not  
8 limited to, motor vehicle remote diagnostics, automatic airbag deployment and crash notification,  
9 navigation, stolen vehicle location, remote door unlock, transmitting emergency and vehicle  
10 location information to public safety answering points and any other service integrating vehicle  
11 location technology and wireless communications.

12 Section 2. Section 2 (d) (1) of said Chapter 93K is hereby amended by inserting at the  
13 end thereof the following:-

14 Access for vehicle owners and independent repair facilities to vehicle on-board  
15 diagnostic systems shall be standardized and not require the use of any authorization, directly or  
16 indirectly, by the manufacturer unless that authorization system for access to vehicle networks  
17 and their on-board diagnostic systems is standardized across all makes and models sold in the  
18 Commonwealth and is administered by an entity unaffiliated with a manufacturer.

19 Section 3. Said Chapter 93K is hereby further amended by striking Section 2 (f) and  
20 inserting in place thereof the following:-

21 (f) Commencing in model year 2022 and thereafter a manufacturer of motor vehicles sold  
22 in the Commonwealth that utilizes a telematics system shall be required to equip such vehicles  
23 with an inter-operable, standardized and open access platform across all makes and models that  
24 is capable of securely communicating all telematics vehicle data in a standardized format via  
25 direct data connection to the platform. Said platform shall be directly accessible by the owner or  
26 lessee of the vehicle through a mobile-based application and upon the authorization of the  
27 vehicle owner or lessee, all mechanical data shall be directly accessible by an independent motor  
28 vehicle repair facility or a class 1 dealer licensed pursuant to Section 58 of Chapter 140 limited  
29 to the time to complete the repair or for a period of time agreed to by the vehicle owner or lessee  
30 for the purposes of maintaining, diagnosing and repairing the motor vehicle. Access also shall  
31 include the ability to send commands to in-vehicle components if needed for purposes of  
32 maintenance, diagnostics and repair. All data collected by the telematic system is exclusively  
33 owned by the motor vehicle owner.

34 Section 4. Said Chapter 93K is hereby further amended by adding after clause (f) the  
35 following:

36 (g) The Attorney General is hereby directed to establish a consumer motor vehicle  
37 telematic system notice that includes, but is not limited to, (i) explaining what is motor vehicle  
38 telematics, (ii) the data collected and stored by the telematic system, (iii) the capability of the  
39 consumer to access the vehicle's telematic data through a mobile device and (iv) that an  
40 independent repairer with the permission of the consumer, can access the telematic mechanical  
41 repair information for vehicle repair purposes. Said notice shall contain a consumer signature  
42 section specifying that the consumer has read the telematic consumer system notice form and a  
43 section that provides the consumer the capability to assent or prohibit all telematic system data  
44 generated by the telematic system being transmitted from the consumer's vehicle to the vehicle  
45 manufacturer. The consumer notice shall also inform the consumer that they may amend their  
46 signed consumer telematic system notice by visiting any new car dealership that sells the  
47 consumer's vehicle brand or using an online mobile application.

48 Section 5. Said Chapter 93K is hereby further amended by adding the following clause:-

49 (h) A class 1 or class 2 dealer licensed pursuant to Chapter 140 Section 58 of the General Laws  
50 shall when selling a vehicle containing a telematic system provide the consumer the motor  
51 vehicle telematics system notice to be read and signed by the consumer and provide a copy of the  
52 signed notice to the consumer.

53 Section 6. Section 6(a) of Chapter 93K is hereby amended by adding at the end the  
54 following:- A manufacturer's failure to comply with the requirements of this act shall prohibit a  
55 manufacturer from selling new motor vehicles in the Commonwealth until such time as the

56 Attorney General is satisfied that the manufacturer has cured all problems and is in full  
57 compliance with this act.
