**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act relative to Commonwealth building projects.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Strike section 5 of chapter 7c, and replace it with a new section:

2 Section 5: The commissioner shall, in a manner and to the extent provided by this
3 chapter, control and supervise any building project to be undertaken by a state agency or building
4 authority when the estimated cost of the project exceeds \$1,000,000 and involves structural or
5 mechanical work. The commissioner may, upon request of a state agency or building authority,
6 delegate project control and supervision to that state agency or building authority over projects
7 involving structural or mechanical work whose estimated cost is less than \$10,000,000 if the
8 commissioner determines that the agency or authority has the ability to control and supervise
9 such project. Except as otherwise provided in this section, any state agency or building authority

- 10 shall control and supervise its own building projects when the estimated cost of such project is
- 11 less than \$1,000,000, or if the project does not involve structural or mechanical work.
