1 SECTION 1. To provide for a senior tax deferral program, the sum set forth in section 2,

3 subject to the laws regulating the disbursement of public funds.

4 SECTION 2. MASSACHUSETTS DEPARTMENT OF REVENUE

5 XXXX-XXXX. For the Senior Property Tax Deferral Revolving Fund established  
6 pursuant to section 2LLLLL of chapter 29 of the General Laws.....\$450,000,000

7 SECTION 3. Chapter 29 of the General Laws is hereby amended by inserting after  
8 section 2KKKKK, inserted by section 1 of chapter 254 of the acts of 2020, the following  
9 section:-

10 Section 2LLLLL. (a) There shall be established and set up on the books of the  
11 commonwealth a separate fund to be known as the Senior Property Tax Deferral Revolving  
12 Fund. The commissioner of the department of revenue shall be the fund’s trustee and shall

13 expend the fund, without further appropriation, for the purposes of financial assistance in the  
14 form of loans to cities and towns in amounts equal to 100 per cent of deferred real property taxes  
15 pursuant to clause Forty-First A of section 5 of chapter 59.

16       Upon receipt of the taxes and interest due pursuant to said clause Forty-First A of said  
17 section 5 of said chapter 59 following the sale or transfer of real property for which taxes have  
18 been deferred or the demise of the owner of such real property and subsequent demise of the  
19 surviving spouse, if applicable, any city or town which has received a loan from the department  
20 pursuant to this section shall deposit the funds into the Senior Property Tax Deferral Fund.

21       (b) The commissioner shall annually report on expenditures from the Senior Property Tax  
22 Deferral Revolving Fund. The report shall include, but not be limited to: (1) the revenue credited  
23 to the fund; (2) the amount of fund expenditures attributable to the administrative costs of the  
24 fund; and (3) a list of the funds loaned to and repaid by each municipality. The report shall be  
25 provided to the chairs of the joint committee on municipalities and regional government and the  
26 clerks of the house of representatives and the senate.

27       SECTION 4. Section 5 of chapter 59 of the General Laws, as so appearing, is hereby  
28 amended by striking out clause forty-first A and inserting in place thereof the following clause:-  
29 Forty-first A, Real property, to an amount determined as hereinafter provided, (i) of a person 65  
30 years of age or over and occupied by them as their domicile, (ii) of a person who owns the same  
31 jointly with their spouse, either of whom is 65 years of age or over, and occupied as their  
32 domicile, or (iii) of a person 65 years of age or over who owns the same jointly or as a tenant in  
33 common with a person not their spouse and occupied by them as their domicile; provided, that  
34 such person:

35 (1) has so owned and occupied as their domicile such real property or other real property  
36 in the commonwealth for 5 years; or

37 (2) is a surviving spouse who inherits such real property and has occupied such real  
38 property or other real property in the commonwealth as their domicile for 5 years and who  
39 otherwise qualifies pursuant to this clause.

40 In determining the total period of ownership of an applicant for exemption pursuant to  
41 this clause, the time during which the same property was owned by a spouse individually shall be  
42 added to the period during which such property was owned by said spouses jointly.

43 The board of assessors for each municipality shall include on every property tax bill a  
44 check-box where homeowners may certify their eligibility for the deferral of taxation on real  
45 property and opt-in to deferral of taxes on said real property; provided, however, that in the case  
46 of real estate owned by a person jointly or as a tenant in common with a person not such person's  
47 spouse, the exemption shall not exceed that proportion of total valuation which the amount of  
48 such person's interest in such property bears to the whole tax due. The board of assessors shall  
49 grant such exemption provided that the owner or owners of such real property have entered into a  
50 tax deferral and recovery agreement with said board of assessors on behalf of the city or town.

51 The said agreement shall provide:

52 (1) that no sale or transfer of such real property may be consummated unless the taxes  
53 which would otherwise have been assessed on such portion of the real property as is so exempt  
54 have been paid, with interest at a rate to be calculated by the Secretary of Administration and  
55 Finance on an annual basis, which shall include the commonwealth's borrowing and  
56 administrative costs, or such lesser rate as may be determined by the legislative body of the city

57 or town, subject to its charter, no later than the beginning of the fiscal year to which the tax  
58 relates;

59 (2) that the total amount of such taxes due, plus interest, for the current and prior years  
60 does not exceed 60 per cent of the owner's proportional share of the full and fair cash value of  
61 such real property;

62 (3) that upon the demise of the owner of such real property, the heirs-at-law, assignees or  
63 devisees shall have first priority to said real property by paying in full the total taxes which  
64 would otherwise have been due, plus interest; provided, however, if such heir-at-law, assignee or  
65 devisee is a surviving spouse who enters into a tax deferral and recovery agreement pursuant to  
66 this clause, payment of the taxes and interest due shall not be required during the life of such  
67 surviving spouse. Any additional taxes deferred, plus interest, on said real property pursuant to a  
68 tax deferral and recovery agreement signed by a surviving spouse shall be added to the taxes and  
69 interest which would otherwise have been due, and the payment of which has been postponed  
70 during the life of such surviving spouse, in determining the 60 per cent requirement of  
71 subparagraph (2);

72 (4) that upon receipt of the taxes due, plus interest, the municipality shall deposit the  
73 funds into the Senior Property Tax Deferral Fund established pursuant to section 2LLLLL of  
74 chapter 59;

75 (5) that if the taxes due, plus interest, are not paid by the heir-at-law, assignee or devisee  
76 or if payment is not postponed during the life of a surviving spouse, such taxes and interest shall  
77 be recovered from the estate of the owner; and

78 (6) that any joint owner or mortgagee holding a mortgage on such property has given  
79 written prior approval for such agreement, which written approval shall be made a part of such  
80 agreement.

81 In the case of each tax deferral and recovery agreement entered into between the board of  
82 assessors and the owner or owners of such real property, said board of assessors shall deliver a  
83 copy of said agreement and a copy of the property tax bill for the fiscal year which is being  
84 deferred to the department of revenue. Upon receipt of said agreement and said property tax bill,  
85 the department of revenue shall send to the city or town an amount equal to the deferred taxes  
86 and record with the registry of deeds of the county or district in which the city or town is situated  
87 a statement of their action which shall constitute a lien upon the land covered by such agreement  
88 for such taxes as have been assessed pursuant to the provisions of this chapter, plus interest as  
89 provided herein. Notwithstanding any special or general laws to the contrary, a lien filed  
90 pursuant to this section shall continue until the deferred taxes, plus interest, have been recovered  
91 pursuant to this clause. A lien filed pursuant to this section shall be subsequent to any liens  
92 securing a reverse mortgage, excepting shared appreciation instruments. The statement shall  
93 name the owner or owners and shall include a description of the land adequate for identification.  
94 Unless such a statement is recorded the lien shall not be effective with respect to a bona fide  
95 purchaser or other transferee without actual knowledge of such lien. The filing fee for such  
96 statement shall be paid by the city or town and shall be added to and become a part of the taxes  
97 due.

98 In addition to the remedies provided by this clause, the recorded statement of the  
99 assessors provided for in this clause shall have the same force and effect as a valid taking for  
100 nonpayment of taxes pursuant to section 53 of chapter 60, except that: (1) interest shall accrue at

101 the rate provided in this clause until the conveyance of the property or the death of the person  
102 whose taxes have been deferred, after which time interest shall accrue at the rate provided in  
103 section 62 of chapter 60; (2) no assignment of the municipality's interest pursuant to this clause  
104 may be made pursuant to section 52 of chapter 60; (3) no petition pursuant to section 65 of  
105 chapter 60 to foreclose the lien may be filed before the expiration of 6 months from the  
106 conveyance of the property or the death of the person whose taxes have been deferred.

107 SECTION 5. To meet the expenditures necessary in carrying out this act, the state  
108 treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an  
109 amount to be specified by the governor from time to time but not exceeding, in the aggregate,  
110 \$450,000,000. All such bonds issued by the commonwealth shall be designated on their face,  
111 Senior Property Tax Deferral Revolving Loan Fund Act, and shall be issued for a maximum term  
112 of years, not exceeding 30 years, as the governor may recommend to the general court pursuant  
113 to section 3 of Article LXII of the Amendments to the Constitution. The bonds shall be payable  
114 not later than June 30, 2056 . All interest and payments on account of principal on these  
115 obligations shall be payable from the General Fund. Bonds and interest thereon issued under this  
116 section shall, notwithstanding any general or special law to the contrary, be general obligations  
117 of the commonwealth.
