**The Commonwealth of Massachusetts**

**In the Year Two Thousand Thirteen**

An Act to protect the broadcasting industry and promote renewable energy.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. This Act shall be entitled the “The Broadcasting Industry Protection Act”,  
2 and shall be construed in a manner to achieve its public purpose, which is to ensure that  
3 renewable energy generation facilities do not interfere with transmissions from a  
4 telecommunications or radio structure.

5 □  
6 □ SECTION 2. Notwithstanding any general or special law, rule, or regulation to the contrary,  
7 by December 31, 2013, the department of public utilities shall conduct a public hearing and  
8 perform a study to evaluate the economic consequences to the broadcasting industry of the  
9 transmission obstruction and interference created by the development of a wind turbine within  
10 2000 feet of a radio or telecommunications structure. The department of public utilities shall  
11 develop and issue, by March first of 2014, a report which shall detail the level of interference  
12 caused by a wind turbine within 2000 feet of a radio or telecommunications structure. The  
13 department may include in such report recommendations to address any identified electronic  
14 interfere issues caused by a wind turbine. The department is hereby authorized and directed to  
15 promulgate rules and regulations necessary to carry out the provisions of this section. The

16 department is hereby further authorized and directed to determine whether any rules and  
17 regulations shall be promulgated with regard energy facility siting board approvals in order to  
18 carry out the provisions of this section

19

20 SECTION 3. Notwithstanding any general or special law, rule or regulation to the contrary,  
21 beginning January 1, 2014, local permits for the development of a wind electric generation  
22 facility shall not be issued in the Commonwealth without an affirmation of the permit applicant  
23 that said wind electric generation facility does not interfere or cause electric interference upon a  
24 radio or telecommunications structure.
