HOUSE No. 3044

By Representative Hawkins of Attleboro, a petition (accompanied by bill, House, No. 3044) of James K. Hawkins relative to making October 25th Dwarfism awareness day in the Commonwealth. State Administration and Regulatory Oversight.

[SIMILAR MATTER FILED IN PREVIOUS SESSION

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Third General Court
(2023-2024)**

An Act making October 25th Dwarfism awareness day in the Commonwealth.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to establish forthwith October 25 as Dwarfism Awareness Day, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Whereas: The Little People of America was founded in 1957 by Billy Barty, an actor and
2 little person in the filming industry, who started the organization in Nevada, and from there on
3 we have become a big group.

4 Whereas: There are over 30,000 of us with dwarfism. We meet in our district groups
5 during the fall and spring, there are 13 districts in the United States. Then for the summer, we
6 meet nationally in a different state each year.

7 Whereas: Members of the Little People of America and people with dwarfism have been
8 subjected to some uncomfortable situations, the Commonwealth of Massachusetts feels that with
9 a better understanding of little people or someone of short stature, we seek to make a difference
10 in the life of someone with dwarfism.

11 Whereas: The Commonwealth of Massachusetts wishes for people to understand that
12 people with dwarfism are the same as an average-height person but have to navigate the world a
13 little differently. The Commonwealth of Massachusetts wishes for everyone that is different to be
14 afforded the same respect.

15 Whereas: The Little People of America is working towards having October 25th become
16 National Dwarfism Awareness Day.

17 Therefore: The Commonwealth of Massachusetts officially declares October 25th
18 Dwarfism Awareness Day and recognizes it as such.
