An Act relative to a cranberry bog improvement tax credit.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. Chapter 63 of the General Laws, as appearing in the 2018 Official Edition,  
2 is hereby amended by inserting after section 38HH the following section:-

3           Section 38II. (a) As used in this section, the following words shall have the following  
4 meanings unless the context clearly requires otherwise:

5           "Commissioner", the commissioner of revenue.

6           "Cranberry bog", an area actively cultivated for the harvesting or production of  
7 cranberries.

8           "Qualified renovation", the renovation, repair, replacement, regrading or restoration of a  
9 cranberry bog for the cultivation, harvesting or production of cranberries or any other activity or  
10 action associated with the renovation of an abandoned cranberry bog; provided, however, that  
11 "qualified renovation" shall not include the construction of facilities or structures for the  
12 processing of cranberries.

13 "Qualified renovation expenditure", an expenditure or a cost directly incurred in  
14 connection with the qualified renovation of a cranberry bog; provided, however, that "qualified  
15 renovation expenditure" shall not include costs incurred in acquiring or purchasing property for  
16 the construction of facilities or structures for the cultivation, harvesting or production of  
17 cranberries.

18 "Secretary", the secretary of energy and environmental affairs.

19 "Taxpayer", a taxpayer subject to taxation under this chapter.

20 (b)(1) A taxpayer primarily engaged in cranberry production shall be allowed a credit  
21 against the taxes imposed by this chapter equal to 25 per cent of the total qualified renovation  
22 expenditures incurred in connection with the qualified renovation of a cranberry bog during the  
23 taxable year; provided, however, the amount of the credit that may be claimed by a taxpayer  
24 under this section shall not exceed \$100,000.

25 (2) The credit under this section shall be taken against the taxes imposed under this  
26 chapter and shall be refundable. The commissioner shall apply the credit against the liability of  
27 the taxpayer as determined on its return, as first reduced by any other available credits, and shall  
28 then refund to the taxpayer the balance of the credits. If the amount of the credit allowed under  
29 this section exceeds the taxpayer's tax liability, the commissioner shall treat the excess as an  
30 overpayment and shall pay the taxpayer the entire amount of the excess. Any amount of the tax  
31 credit that exceeds the tax due for a taxable year may be carried forward by the taxpayer to any  
32 of the 5 subsequent taxable years.

33 (3) The secretary, in consultation with the commissioner of agricultural resources, shall  
34 authorize annually, for the period beginning January 1, 2020 and ending December 31, 2024, tax

35 credits under this subsection together with subsection (w) of section 6 of chapter 62 in an amount  
36 not to exceed \$2,000,000 per taxable year. No credits shall be allowed under this section except  
37 to the extent authorized in this section.

38 (c) For a taxpayer to qualify for the credit provided for under this section, the taxpayer  
39 shall file with the secretary a summary of qualified renovation expenditures in connection with  
40 the qualified renovation. The secretary shall approve the summary of qualified renovation  
41 expenditures and provide notice to the commissioner. Any qualified renovation expenditures  
42 applicable to this credit shall be treated for purposes of this section as made on the date that the  
43 secretary provides notice of the certification to the commissioner.

44 (d) Any portion of tax credits not awarded by the secretary in a calendar year shall not be  
45 applied to awards in a subsequent calendar year. The secretary shall provide any documentation  
46 that the commissioner may deem necessary to confirm compliance with paragraph (3) of  
47 subsection (b) and the commissioner shall provide a report confirming compliance to the  
48 secretary of administration and finance.

49 (e) The secretary shall annually, not later than September 1, file a report with the house  
50 and senate committees on ways and means, the joint committee on environment, natural  
51 resources and agriculture and the joint committee on revenue identifying the total amount of tax  
52 credits claimed and the total amount of tax credits refunded pursuant to this section in the  
53 preceding fiscal year.

54 (f) The secretary, in consultation with the commissioner of agricultural resources and the  
55 commissioner of revenue, shall promulgate regulations or other guidelines necessary for the  
56 administration and implementation of this section.
