An Act further regulating insurance benefits..

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 1 of chapter 176G of the General Laws, as appearing in the 2008  
2 Official Edition, is hereby amended by striking out the definition of “Health services” in lines 78  
3 to 81 and inserting in place thereof the following definition:—  
4 “Health Services”, at least reasonably comprehensive physician services on a  
5 nondiscriminatory basis, inpatient and outpatient services, emergency health services,  
6 chiropractic and podiatric services.

7 SECTION 2. Said section 1 of said chapter is hereby further amended by striking out the  
8 definition of “Nondiscriminatory” in lines 95 to 100 and inserting in place thereof the following  
9 definition:-

10 “Nondiscriminatory,” any individual who has entered into a group health maintenance contract  
11 that provides for any chiropractic, podiatric, medical or surgical service which is within the  
12 lawful scope of practice of a licensed podiatrist, or chiropractor shall be entitled to such services  
13 whether the service is performed by a physician, chiropractor or licensed podiatrist including  
14 authorized referral services on a nondiscriminatory basis.

15 SECTION 3. Chapter 176G of the General Laws, as appearing in the 2004 Official Edition, and  
16 amended by section 11 of chapter 172 of the acts of 2006, is hereby further amended by adding  
17 the following new sections: —

18 Section 4S. Every registered chiropractor shall have the right, on complying with such rules and  
19 regulations the organization may make, to enter into written agreement with a health  
20 maintenance organization, doing business in the city or town where the chiropractor resides or  
21 has a usual place of business, to perform chiropractic services. No restrictions shall be placed by  
22 any such health maintenance organization upon its participating chiropractors as to methods of  
23 diagnosis or treatment. No officer, agent or employee of a health maintenance organization shall  
24 influence or attempt to influence a subscriber or a covered dependent in the choice of a  
25 participating chiropractor. Nothing in this section shall be construed to prohibit any health  
26 maintenance organization from entering into written agreements with its subscribers and with  
27 participating chiropractors to furnish chiropractic services to subscribers and covered dependents  
28 or from including chiropractic services in its health services plan nor shall any health

29 maintenance organization discriminate in any way against participating chiropractors in the  
30 furnishing of chiropractic services to its subscribers and covered dependents.

31 Section 4T. Upon the request of a subscriber or covered dependent for chiropractic services, the  
32 health maintenance organization shall refer the subscriber or covered dependent to a participating  
33 doctor of chiropractic in the geographical area nearest to the subscriber's or covered dependent's  
34 residence. Benefit levels for health care services rendered by non-participating providers shall be  
35 at least 80% of the benefit levels for services rendered by participating providers.
