60 SECTION 38. There shall be a special commission to make recommendations to the legislature
61 on mandated health insurance benefits in the commonwealth. The commission shall consist of
62 the secretary of administration and finance or his designee; 3 members of the house of
63 representatives, 1 of whom shall be the chair of the joint committee on health care financing, 1 of
64 whom shall be appointed by the house minority leader; 3 members of the senate, 1 of whom shall
65 be the chair of the joint committee on health care financing, 1 of whom shall be appointed by the
66 senate minority leader; and 4 members to be appointed by the governor, 1 of whom shall have
67 professional experience in employee health benefits or in actuarial science. The commission
68 shall convene its first official meeting not later than September 1, 2011.

69 The commission, in consultation with the division of insurance, shall make a comprehensive
70 study of mandated health insurance benefits. The study shall include, but not be limited to:
71 contribution rates paid by employers and employees and the terms of health insurance policies
72 available to all citizens of the commonwealth.

73 The commission shall recommend acceptable mandated health insurance benefits and policy
74 terms for such mandated coverage. The commission shall request an actuarial analysis to
75 determine the costs of any recommendations made by the commission. The report of
76 commission shall be filed with the governor, the clerks of the senate and house of representatives
77 and the chairs of the joint committee on health care financing not later than January 31, 2012.

78 On or before the third Wednesday of February 2012, the commission shall file a joint petition
79 with the clerks of the senate and house of representatives the title of which is as follows: "An Act
80 approving the recommendations of the Commission on Mandated Health Insurance Benefits in
81 the Commonwealth."

82 The petition described herein, introduced in the general court shall be referred to the joint
83 committee on health care finance. The petition shall, at all times, include an emergency
84 preamble. If the committee to which a petition described herein is referred has not reported such
85 petition, or an identical petition, before May 18, 2012, such committee shall be, as of May 18,
86 2012, discharged from further consideration of such petition, and such petition shall be placed on
87 the appropriate calendar of the day.

88 On or after the third day after the date on which the committee to which such a petition is
89 referred has reported, or has been discharged from further consideration of, such a petition, it is
90 in order (even though a previous motion to the same effect has been disagreed to) for any

91 member of the house or senate to call for the previous question on the main question of the
92 petition (but only on the day after the calendar day on which such member announces to the
93 house or senate respectively concerned the member's intention to do so). All points of order
94 against the petition (and against consideration of the petition) are waived. The motion is not
95 subject to amendment, or to a motion to postpone, or to a motion to proceed to the consideration
96 of other business. A motion to reconsider the vote by which the motion is agreed to or disagreed
97 to shall not be in order. If a motion to proceed to the consideration of the petition is agreed to, the
98 respective house of the General Court shall immediately proceed to consideration of the joint
99 petition without intervening motion, order, or other business, and the petition shall remain the
100 unfinished business of the house or senate until disposed of.

101 Debate on the petition, and on all debatable motions and appeals in connection therewith, shall
102 be limited to not more than 5 hours, which shall be divided equally between those favoring and
103 those opposing the petition. An amendment to the petition is not in order. A motion further to
104 limit debate is in order and not debatable. A motion to postpone, or a motion to proceed to the
105 consideration of other business, or a motion to recommit the petition is not in order. A motion to
106 reconsider the vote by which the petition is agreed to or disagreed to is not in order.

107 Immediately following the conclusion of the debate on a petition described herein and a single
108 quorum call at the conclusion of the debate if requested in accordance with the rules of the house
109 or senate, the vote on final passage of the petition shall occur.

110 Appeals from the decisions of the chair relating to the application of the rules of the senate or the
111 house of representatives, as the case may be, to the procedure relating to a petition described
112 herein shall be decided without debate.

113 If, before the passage by either the house or senate of a petition of the house or senate described
114 herein, that house receives from the other house a petition described herein then the following
115 procedures shall apply: (1) the petition of the other House shall not be referred to a committee
116 and may not be considered in the house receiving it except in the case of final passage as
117 provided herein and the procedures described herein shall govern.

118 This legislation is enacted by the General Court (1) as an exercise of the rulemaking power of the
119 senate and house of representatives, respectively, and as such it is deemed a part of the rules of
120 each house, respectively, but applicable only with respect to the procedure to be followed in that
121 house in the case of a petition described in this section, and it supersedes other rules only to the
122 extent that it is inconsistent with such rules; and (2) with full recognition of the constitutional
123 right of either house to change the rules (so far as relating to the procedure of that house) at any
124 time, in the same manner, and to the same extent as in the case of any other rule of that house.

125 SECTION 39. The division of health care financing shall annually review and report on
126 mandatory health insurance benefits and the cost of such benefits in the commonwealth. The
127 report shall be filed annually with the clerks of the house and the senate on or before June 30th.

128 SECTION 40. Sections 1 to 37, inclusive, shall take effect June 1, 2012.
