By Ms. Keefe of Worcester, a petition (accompanied by bill, House, No. 3585) of Mary S. Keefe and others for legislation to establish uniform standards for state and county correctional facilities regarding entrance of cell procedures. The Judiciary.

**The Commonwealth of Massachusetts**

**In the One Hundred and Ninetieth General Court  
(2017-2018)**

An Act relative to entrance of cell procedures.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Section 1 of chapter 124 of the General Laws, as appearing in the 2014 Official Edition,  
2 is hereby amended by adding the following 2 subsections:-

3 (v) establish uniform standards for state and county correctional facilities regarding  
4 entrance of cell procedures. The standards shall establish the process for: (i) an emergency  
5 entrance of cell procedure; and (ii) a planned entrance of cell procedure; provided, that, a  
6 planned entrance of cell procedure which shall include intervention by a qualified mental health  
7 professional, as defined in section 1 of chapter 127, before a correctional officer enters the cell.

8 The standards shall instruct superintendents of all institutions under the jurisdiction of the  
9 department of correction and the superintendents and keepers of jails and houses of correction of  
10 that an emergency entrance of cell procedure shall only be used when time is of the essence  
11 where the failure to take immediate action would place that a person in imminent risk of death or  
12 serious bodily injury.

13           The standards shall require correctional officers to wear a personal audio-video recording  
14 device attached to the officer's clothing, helmet, or sunglasses and that is capable of capturing  
15 video and audio recordings from the officer's point of view during both planned entrance of cell  
16 procedures and emergency entrance of cell procedures. A correctional officer shall be prohibited  
17 from viewing or listening to any video or audio recorded prior to submitting a report regarding  
18 the use of force.

19           The standards shall detail acceptable equipment for use during a planned entrance of cell  
20 procedure or an emergency entrance of cell procedure; provided, that the standards shall prohibit  
21 the use of certain kinetic impact weapons, to be determined by the commissioner.

22           (w) establish uniform standards for all state and county correctional facilities governing  
23 the use of chemical agents. The standards shall: (i) identify all chemical agents which are  
24 deemed an acceptable use of force; (ii) establish protocols for situations when chemical agents  
25 may not be used, including but not limited to, on an inmate with intellectual disabilities or  
26 respiratory illnesses; (iii) define the required authorization for staff prior to the use of chemical  
27 agents; and (iv) establish protocols for decontamination of inmates following exposure to each  
28 type of chemical agent identified pursuant to clause (i).
