9 procedures covering all aspects of the ward and town committee member selection process and a  
10 copy of such rules and procedures shall be filed with the state secretary on or before October

11 first of the year preceding the year in which presidential electors are to be elected. Ward and  
12 town committee members shall be selected or appointed no later ten days following the day  
13 on which the presidential primaries are held and shall hold office for a period of four years  
14 ending on the thirtieth day following the day on which the presidential primaries are next held  
15 and until their successors shall have organized. If any member changes his residence from the  
16 ward or town in which he was selected or appointed during the said four years, he shall cease to

18 member, whether originally selected or appointed or chosen to fill a vacancy, cancels or changes  
19 his party enrolment he shall forthwith cease to be a member of said committee.

20 For the purposes of this chapter, notwithstanding the fact that ward lines in a city have  
21 been redistricted subsequent to a presidential primary, members of ward committees selected or  
22 appointed from wards in existence at the time of a presidential primary shall continue to  
23 represent said wards until their successors shall have been selected or appointed and organized  
24 under the redistricted ward lines at the time of a presidential primary next following said  
25 redistricting.

37 committee or the state committee, respectively, of the political party which said ward or town  
38 committee represents shall appoint from among the voters qualified therefor the members of  
39 such committee and shall call a meeting for its organization, in such call appointing a time for  
40 holding the same and naming a person to preside thereat. If a ward committee or a city or town

42 committee or the state committee, respectively, of the political party which such ward, city or  
43 town committee represents shall call a meeting for its organization, in such call appointing a time  
44 for holding the same and naming a person to preside thereat. In the event that a ward or town  
45 committee fails to meet at the time appointed as aforesaid and organize, the selection or
