

HOUSE No. 03876

By Mr. Dempsey of Haverhill, for the committee on Ways and Means, that the Bill increasing the experience and background necessary to operate low pressure processed steam boilers (House, No. 3568) ought to pass with an amendment substituting therefor the accompanying bill (House, No. 3876). January 12, 2012.

The Commonwealth of Massachusetts

In the Year Two Thousand Twelve

An Act increasing the experience and background necessary to operate low pressure processed steam boilers.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 46 of chapter 146 of the General Laws, as appearing in the 2010 Official
2 Edition, is hereby amended by inserting after the first paragraph the following paragraph:-
3 Notwithstanding the provisions of the first paragraph, a facility with a low pressure processed
4 steam boiler, with a pressure carried below 15 pounds to the square inch, involved in the process,
5 production and manufacturing of a product, commodity or chemical, shall be operated and
6 maintained by a duly licensed first class fireman or the holder of a special license under section
7 49.

8 SECTION 2. Section 49 of said chapter 146, as so appearing, is hereby amended by inserting in
9 the second paragraph, after the first sentence, the following sentence:- The department shall
10 further promulgate rules and regulations to establish the standards for the licensure and

11 professional and ethical conduct of engineers and firemen in accordance with the provisions of
12 this chapter, including the maintenance and operation of boilers and grounds for the suspension
13 or revocation of such licenses.
