1           SECTION 1. The Massachusetts Executive Office of Housing and Economic  
2           Development shall initiate a commission to study the impact of opportunity fund investments;  
3           ensure equitable and inclusive development in designated opportunity zones; recommend  
4           regulations towards the use of opportunity fund money; and the creation of new opportunity

24 and shall include one resident from a city with greater than or equal to 100,000 residents and one  
25 resident from a city with less than or equal to 100,000 residents.

26 Said commissioners and members shall serve for a term of 2 years or until a successor is

35           The commission may remove a commissioner and/or member if the commissioner or  
36 member: (i) is guilty of malfeasance in office; (ii) substantially neglects the duties of a  
37 commissioner; (iii) is unable to discharge the powers and duties of the commissioner’s office;  
38 (iv) commits gross misconduct; or (v) is convicted of a felony.

39           Members of the commission shall serve without compensation. The commission may,  
40 subject to appropriation, incur expenses and appoint an executive director who shall be the  
41 executive and administrative head of the commission. The commission may authorize the  
42 executive director to appoint such employees as may be necessary to administer this section.  
43 There shall be paid by the commonwealth to each appointive member of the commission the  
44 necessary expenses actually incurred in the discharge of his official duties.

45           (b)     The commission shall have the following responsibilities:

49 development programs.

50           2.     to review and analyze all opportunity fund investments in designated opportunity  
51 zones in the Commonwealth and to deliver an economic impact report of such effects on  
52 municipalities to the governor, and to the minority and majority leadership of the House and  
53 Senate at the end of each legislative session;

54           3.     to promote and facilitate collaboration among investors, community based  
55 organizations, local small businesses and community members as the commission deems  
56 necessary and appropriate;

58 in their relations with the Internal Revenue Service, Department of Treasury, and other federal  
59 government entities; and

60           5.       to perform such other like services as the commission shall decide upon.

61           (c)       The commission may hold hearings and invite testimony from experts and the  
62 public. The commission shall review and identify best practices learned from cities and towns  
63 across the Commonwealth.

64           (d)       The opportunity funds, investors, real estate corporations, and any other  
65 individuals or entities contributing to opportunity funds in a designated opportunity zone in the  
66 district shall ensure that any data, information or materials that the commission requests for  
67 purposes of its review and deliberations are provided to the commission in a timely manner.

68           (e)       The commission shall meet at least four times annually. At the close of each  
69 regular session of the general court, the commission shall report to the Massachusetts Executive  
70 Office of Housing and Economic Development and the general court the results of its findings  
71 and provide recommendations, if any, together with drafts of legislation necessary to carry its  
72 recommendations into effect by filing the same with the clerks of the house of representatives.  
73 The clerk of the house of representatives shall post the report on the website of the general court.
