*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 2 of chapter 90 of the General Laws, as appearing in the 2006 Official Edition, is hereby  
2 amended by adding the following paragraph:—

3           The registrar shall issue dual registrations for trucks, which may be used on automobiles owned  
4 by the truck owner. The registration plates may be transferred from vehicle to vehicle. Registration fees  
5 shall be 1 ½ times of that of the truck. Insurance shall be based on the higher price which or the high risk  
6 vehicle whichever is greatest. Both vehicles shall be on the registration. Registration plates shall be a  
7 symbol indicating dual registration. There may be only 1 dual registration per household in the name of  
8 the truck owner only. Only drivers listed on registration may drive the vehicles. Other vehicle may not  
9 be a truck; it must be an automobile at least 50 per cent more efficient than the truck.
