Resolve relative to improving the calculation of foundation budgets.

1 Resolved,  
2 SECTION 1. Notwithstanding any general or special law to the contrary, there shall be a  
3 special commission to study and report on ways to improve the calculation of foundation budgets  
4 to more adequately reflect the differences between educating a student in an urban community  
5 and a suburban or rural community, including the possibility of establishing alternate funding  
6 formulas to represent regional differences. The commission shall consist of the following  
7 members: the commissioner of education; 3 members of the house of representatives, 2 of whom  
8 shall to be appointed by the speaker of the house, and 1 of whom shall be appointed by the  
9 minority leader of the house; 3 members of the secretary of administration and finance or his  
10 designee; the commissioner of elementary and secondary education or his designee; a  
11 representative of the Massachusetts municipal association; and a member appointed by the  
12 governor. The scope of the commission shall include, but shall not be limited to: researching the  
13 adequacy of the current chapter 70 education formula; investigating the financial impact of  
14 altering the calculation of the foundation budget on cities and towns and the state budgeting  
15 process; analyzing the various factors that contribute to calculating the foundation budgets based  
16 upon the unique aspects of the different regions and demographics of the Commonwealth; and  
17 the possibility of implementing different foundation budget calculations for different regions of  
18 the Commonwealth. The commission shall submit its report to the board of education, the joint  
19 committee on education, and the senate and house clerks no later than 6 month after the passage  
20 of this act.
