10 (iv) be certified as a phlebotomist or its equivalent by national independent organization whose
11 certification procedures for phlebotomy have been approved by the National Commission for
12 Certifying Agencies (NCCA);

13 “Phlebotomist”, a person whose responsibilities include, but are not limited to, collecting blood
14 samples from patients under the instruction of a physician licensed under section 2 of chapter
15 112 of the General Laws, separating blood into different test tubes in order for it to be used in
16 medical tests, accurately labeling said tubes and insuring correct samples are sent to the
17 laboratory.

18 “Phlebotomy”, the incision into a vein or artery for the purpose of drawing blood.

19 Section 237. No person shall represent himself to be a phlebotomist or in the business of
20 phlebotomy or use the title phlebotomist in the commonwealth on any sign, title, card, or other
21 device to indicate that such person is a phlebotomist, unless such person shall have secured from
22 an approved national certification agency a certificate of registration as a phlebotomist.

23 Section 238. The requirements contained in sections 236 to 238, inclusive, shall not be construed
24 to prevent any of the following persons from acting within the scope of their profession:

25 (i) Certified clinical laboratory scientists;

26 (ii) Medical technologists;

27 (iii) Medical laboratory technicians; or

28 (iv) Physicians licensed under section 2 of Chapter 112 of the General laws.

29 Section 239. The commissioner of public health shall promulgate regulations to enforce sections
30 236 to 238, inclusive.

31 SECTION 2.

32 (a) The requirements of this act shall take effect three (3) years following enactment.

33 (b) For individuals who have practiced as a phlebotomist directly through or on behalf of a
34 hospital for a period of three consecutive years; the requirements of this act shall take effect five
35 (5) years following enactment.
