HOUSE No. 564

By Representative Roy of Franklin, a petition (accompanied by bill, House, No. 564) of Jeffrey N. Roy and others relative to industry-recognized certification awards paid by the Department of Elementary and Secondary Education. Education.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Third General Court
(2023-2024)**

An Act incentivizing the awarding of industry-recognized credentials.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 69 of the General Laws, as appearing in the 2020 official edition,
2 are hereby amended by adding the following four new sections:-

3 Section 37. (a) Subject to appropriation, the Department of Elementary and Secondary
4 Education shall pay each school district a certification award calculated as follows:

5 (i) \$1,000 for each student in the district who earns an industry-recognized certification
6 for an occupation that has high employment value, as determined by the executive office of labor
7 and workforce development through the publication of the annual list required of it pursuant to
8 Chapter 23, section 26 of the General Laws as amended by Chapter 179 of the Acts of 2022, or
9 an industry recognized certification that is recognized by any public institution of higher learning
10 in the commonwealth as a basis for academic credit in such institution.

11 (ii) \$800 for each student in the district who earns an industry-recognized certification
12 that does not meet the criteria of the previous paragraph but addresses regional demands
13 identified by the local MassHire Workforce Board.

14 The school district receiving a certification award must allocate at least 80% of any
15 certification award to the school whose students obtained the qualifying certification. The
16 allocation may not be used to supplant funds otherwise provided for the basic operation of the
17 school. The school receiving a certification award must use the award to support or maintain the
18 program, including the payment of stipends for instructors and the subsidization of fees for low
19 income students to obtain the certification.

20 (b) Subject to appropriation, the Department may pay a certification development award
21 to a school district to support the development of programs to assist students in obtaining
22 industry-recognized certifications described in subsection (a)(i). School districts may use a
23 certification development award to develop instructors able to prepare students to obtain
24 certification, to obtain equipment and other instructional materials to be used for such
25 preparation, or any other purpose directly related to developing programs to assist students in
26 obtaining a qualifying certification.

27 (c) The Department shall each year prepare an annual report on the progress made under
28 this section including:

29 (i) The number of public school students who are seeking certifications for high demand
30 occupations, identifying the number of such students who are low-income, ELL and/or SPED.

31 (ii) The certifications earned by such students, including the number of each such
32 certifications earned.

33 (iii) An analysis of the extent, if any, to which the funding provided for the program
34 during the year was insufficient to make the awards under this section.

35 SECTION 2. Section 1 of this act will take effect immediately upon its passage.
