7 of an amount of funds, subject to appropriation from year to year, which may be applied toward  
8 the restructuring costs of such consolidation or to other benefit as the local School Committee  
9 may decide. Such payments will be provided subject to appropriation by the legislature for the

17 member districts, each Superintendency Union shall submit to the Department of Elementary and  
18 Secondary Education for approval, a consolidation transition plan which will provide for the  
19 elimination of all redundant positions before three years shall have elapsed from the time of the

21           Subject to appropriation for the fiscal year, funds will be provided to both the Department  
22 of Elementary and Secondary Education and the Department of Revenue for the purpose of  
23 providing technical assistance for the formation of such Superintendency Unions.
