An Act establishing a Department of Environmental Protection appeals board.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 19 of chapter 21A of the General Laws, as appearing in the 2010  
2 Official Edition, is hereby amended by inserting, after the word “meanings:”, the following  
3 definition:-

4 “Appeals board”, the department of environmental protection appeals board, established  
5 pursuant to section 19G ½.

6 SECTION 2. Chapter 21A of the General Laws, as appearing in the 2010 Official  
7 Edition, is hereby amended by inserting, after section 19G, the following section:-

8 Section 19G ½ There is hereby established within the executive office of energy and  
9 environmental affairs a board to be known as the department of environmental protection appeals

10 board. The appeals board shall consist of five members, the chair who shall be the secretary of  
11 the executive office of energy and environmental affairs or his designee; provided, however, that  
12 the designee shall be a full-time employee of the office at all times while so designated, and such  
13 designee shall not be a member of the board of registration of hazardous waste site cleanup  
14 professionals. The governor shall appoint the other four members of the appeals board to 2 year  
15 terms, one member shall be a licensed hazardous waste site cleanup professional, one member  
16 from a statewide organization that promotes the protection of the environment, one member from  
17 a labor organization who is knowledgeable with respect to issues involving response to releases  
18 of oil and hazardous materials, and one member shall be a hydrologist, who is knowledgeable  
19 with respect to issues involving response to releases of oil and hazardous materials and  
20 environmental protection; provided, however, that none of the appointees are members of the  
21 board of registration of hazardous waste site cleanup professionals.

22         Each of the 4 members of the appeals board appointed by the governor whose term has  
23 expired shall continue to be a member of the appeals board until the member's successor is  
24 appointed and qualified, at which time the successor shall complete the unexpired portion of the  
25 term. Each of the 4 members of the appeals board appointed by the governor shall serve without  
26 compensation.

27         The board may make such rules or by-laws, not inconsistent with law, as it may deem  
28 necessary in the performance of its duties and may establish forms of appeals and petitions, and  
29 reasonable fees for the filing thereof. The board shall hold only such meetings as are required to  
30 perform its duties. Time, place and notice of all meetings shall be required by rules or by-laws. A  
31 majority of the board, constituted as above provided, may transact business, but a lesser number  
32 may adjourn from time to time.

33 No member shall act as a member of the board, or vote as such, in connection with any  
34 matter as to which his private right, distinct from the public interest, is immediately concerned.

35 The secretary of the executive office of energy and environmental affairs, as chair, shall  
36 employ such staff and other persons as are required to assist the appeals board, or both, in the  
37 performance of its functions and duties pursuant to sections 19 through 19 J, inclusive.

38 SECTION 3. Said chapter 21A is hereby further amended by striking out section 19H,  
39 as appearing in the 2010 Official Edition, and inserting in place thereof the following section:-

40 Section 19H. Whoever is aggrieved by a determination by the board of registration of  
41 hazardous waste site cleanup professionals or other person charged with the enforcement of the  
42 rules and regulations of such board, may, within 10 days after the service of notice thereof,  
43 appeal therefrom, to the appeals board. The appeals board shall, after such notice as it may  
44 direct, hold a public hearing on such appeal at a time and place to be fixed by it, but not later  
45 than 30 days after the entry of such appeal, unless such time shall be extended by agreement with  
46 the appellant. The appellant may appear in person or by agent or attorney at such hearing. The  
47 appeals board shall hear all pertinent evidence and determine the facts, and shall issue an  
48 appropriate decision or order reversing, affirming or modifying in whole or in part the  
49 determination. Such decision or order of the board shall be made within a reasonable time, and  
50 within 45 days after such hearing, unless such time is extended by like agreement. The board  
51 shall forthwith send by registered mail a copy of its decision or order to the interested parties.

52 Any person aggrieved by a decision or order of the appeals board, whether or not a party  
53 to the proceeding may, within 30 days after receipt of notice of such decision or order obtain  
54 judicial review thereof pursuant to chapter 30A. Said court shall hear all pertinent evidence and

55 determine the facts and may annul such decision if it is found to exceed the authority of said  
56 board, or may make such other decree as justice may require as set forth in section 19I. Costs  
57 shall not be allowed against the appeals board unless it appears to the court that said board acted  
58 with gross negligence or in bad faith or with malice in making the decision or order appealed  
59 from. Costs shall not be allowed against a party appealing from the decision or order of such  
60 appeals board unless it appears to the court that the appellant acted in bad faith or with malice in  
61 making the appeal to the court.

62 Compliance with any determination of the board of registration of hazardous waste site  
63 cleanup professionals or other person charged with the enforcement of the rules and regulations  
64 of such board shall be excused pending the final determination of any appeal therefrom taken  
65 under this section; provided, however, that if, in making a determination subject to this section,  
66 the appeals board finds that an imminent threat to public health or safety or to the environment  
67 could result during the pendency of a judicial review, the board may order that the determination  
68 become provisionally effective and enforceable immediately upon issuance, and shall remain so  
69 notwithstanding and until the conclusion of the judicial review, unless the appeals board orders  
70 otherwise during the course of the proceeding.
