Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

I. (a) A person desiring to vote shall, before being provided a ballot, announce his or her name and address to one of the ballot clerks who shall, if the name is found on the checklist by the ballot clerk, repeat the name and address. If the address announced by voter is different from what appears on the checklist, but is in the same town or ward, the ballot clerk shall record the change of address in red on the paper checklist and the supervisors of the checklist shall cause the centralized voter registration database to reflect the change.

(b) The voter, unless challenged, shall then be asked to present proof of his or her identity meeting the requirements of paragraph II. If the voter presents such proof of identity to the ballot clerk, the ballot clerk shall give the voter one of each ballot to be voted on in that election. The ballot clerk shall also mark the checklist using a ruler or other straight edge to ensure accuracy of the mark in order to show that the voter obtained his or her ballot. If the photo identification is an out of state driver's license or nondriver's identification card, the ballot clerk shall record the

state of issuance on the checklist in accordance with uniform procedures developed by the secretary of state in a color designated for such entries and the supervisors of the checklist or designee shall record the state of issuance of the voter's driver's license or identification card in the statewide centralized voter registration database within 30 days of the election. The voter shall then be allowed to cast his or her ballot.

- (c)(1) If the voter does not have a valid photo identification, the ballot clerk shall inform the voter that he or she may execute a challenged voter affidavit. The voter shall receive an explanatory document prepared by the secretary of state explaining the proof of identity requirements. If the voter executes a challenged voter affidavit, the ballot clerk shall mark the checklist in accordance with uniform procedures developed by the secretary of state.
- (2) If the voter executes a challenged voter affidavit, the moderator or the moderator's designee shall take a photograph of the voter and immediately print and attach the photograph to, and thus make it a part of, the affidavit form. The photograph shall be 2 inches by 2 inches, or larger, and may be in color or in black and white. The moderator or his or her designee who took the photograph and the voter shall then sign the challenged voter affidavit. The moderator or designee shall delete the photograph from the camera in the presence of the voter. If the moderator or his or her designee is unable to take the voter's photograph due to equipment failure or other cause beyond the moderator's or his or her designee's reasonable control, the voter may execute a challenged voter affidavit without a photograph.
- (3) If the voter objects to the photograph requirement because of religious beliefs, he or she may execute an affidavit of religious exemption in accordance with, which shall be attested to by an election officer and attached to the challenged voter affidavit.

- 35 (4) The person entering voter information into the centralized voter registration database 36 shall cause the records to indicate when a voter has not presented a valid photo identification and 37 has executed a challenged voter affidavit.
 - II. (a) A valid photo identification shall show the name of the individual to whom the identification was issued, and the name shall substantially conform to the name in the individual's voter registration record; it also shall show a photograph of the individual to whom the identification was issued. The photo identification shall also have an expiration date that has not been exceeded by a period of more than 5 years, except that a voter 65 years of age or older may use an otherwise qualified form of identification without regard to expiration date, and except that student identification cards shall comply with the date requirements in subparagraph
