*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 41 of Chapter 262 of the General Laws, as appearing in the 2016 official edition  
2 is deleted in its entirety and the following substituted in its place:

3           Section 41. The fees of notaries public shall be as follows:

4           For the following notarial acts, the maximum fee shall be \$10.00 per signature: (a)  
5 acknowledgments; (b) oaths and affirmations; (c) jurats; (d) signature witnessings; (e) copy  
6 certifications; (f) issuing summonses for witnesses pursuant to section 1 of chapter 233; and (g)  
7 issuing subpoenas.

8           For witnessing the opening of a bank safe, vault or box pursuant to section 32 of chapter  
9 167, the maximum fee shall be \$25.00.

10           Any amount received by a notary public as a direct result of a notarial act, by way of  
11 commission, fee, advantage, right, title, interest, cash, property, or other consideration shall not  
12 exceed the maximum fee specified herein, provided, however, that this clause shall not preclude

13 a notary public who is licensed as an attorney in the Commonwealth or is employed by an  
14 attorney so licensed from performing notarial acts relative to any document in connection with  
15 which the attorney receives a legal fee for professional services.

16 Notwithstanding the foregoing, no fee shall be charged by a notary public to notarize a  
17 signature on (a) an absentee ballot identification envelope or other voting materials for a  
18 municipal, state or federal election, or (b) on any application or claim by a United States military  
19 veteran for a pension, allotment, allowance, compensation, insurance or other veterans' benefit.
