HOUSE No. 00886

By Mr. Thomas M. Stanley of Waltham, petition (accompanied by bill, House, No. 00886) of Marc Lombardo and others relative to the removal and installation of utility poles. Joint Committee on Telecommunications, Utilities and Energy.

The Commonwealth of Massachusetts

In the Year Two Thousand Eleven

An Act relative to the failure to remove existing poles..

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 164 of the General Laws, as appearing in the 2008 Official Edition, is
2 hereby amended by striking out section 34B, and inserting in place thereof the following new
3 section:-
4 Section 34B. (a) A distribution company or telephone company engaging in the removal of an
5 existing pole and the installation of a new pole in place thereof that does not complete the
6 transfer of wires, all repairs, and the removal of the existing pole from the site within 180 days
7 from the date of the installation of the new pole shall pay a fine to the municipality where the
8 pole is located of \$25 per day for the first 30 days following the expiration of the said 180 days;
9 \$50 per day for the following 30 days thereafter; \$100 per day for the following 305 days
10 thereafter; and \$250 per day for the following days thereafter until the existing pole is removed;
11 provided, however, that for any approved commercial or industrial construction project, the

12 completion of which is expected to take longer than 1 year, said company shall be required to
13 remove such pole within 12 months from the date of installation of the new pole.

14 (b) The owner of such pole shall notify all other users of the starting date of such removal and
15 installation work at least 72 hours prior to the commencement of such work. Said owner may
16 impose a fine upon the user who has not removed their wiring and other attachments when said
17 failure to remove is responsible for the immediate delay in the removal of the existing pole.

18 (c) A pole owner or user may petition the department or the department of telecommunications
19 and cable for relief or exemption from any fines. Any fine imposed under this section shall not
20 be recoverable through rates without approval by the department or the department of
21 telecommunications and cable.

22 SECTION 2. Not later than January 1, 2011, the department of public utilities, in consultation
23 with the department of telecommunications and cable, shall adopt regulations for the
24 implementation of section 34B of chapter 164 of the General Law s.
