**In the One Hundred and Eighty-Ninth General Court
(2015-2016)**
—————

An Act to establish criteria for MassHealth hardship waivers.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 118E of the General Laws, as appearing in the 2012 Official Edition, is hereby
2 amended by inserting after section 28 the following section:—

3 Section 28A. (a) A nursing facility resident may claim undue hardship in order to
4 eliminate the period of ineligibility. In accordance with P.L. 109-171 amending Section
5 1917(c)(2)(D) of the Social Security Act, the division shall establish procedures for determining
6 whether undue hardship exists as a result of the imposition of a period of ineligibility, which
7 shall include written notice to the resident that an undue hardship exception exists, a timely
8 process for determining whether an undue hardship waiver shall be granted and an opportunity to
9 appeal an adverse determination. A nursing facility resident may request an undue hardship

10 waiver within 90 days after the date of the final decision to impose a period of ineligibility,
11 including judicial appeals.

12 (b) There shall be a rebuttable presumption that a nursing facility resident is eligible for
13 an undue hardship waiver if the resident provides documentation that all of the following criteria
14 are met:

15 (1) the nursing facility resident has insufficient available resources, excluding the
16 community spouse resource allowance, to provide medical care, food, shelter, clothing and other
17 necessities of life such that the resident would be at risk of serious deprivation or harm;

18 (2) the nursing facility resident has made reasonable attempts to retrieve the transferred
19 resources or receives adequate compensation;

20 (3) there is no available less costly alternative to institutional care that would meet the
21 nursing facility resident's care needs; and

22 (4) the period of ineligibility will not be a mere inconvenience to the applicant but rather
23 will create a situation that would subject the applicant to risk of serious deprivation.

24 (c) A nursing facility need not express intent to discharge the resident for nonpayment in
25 order for a hardship waiver to be granted.

26 (d) The division shall promulgate regulations incorporating these criteria for
27 consideration of an undue hardship waiver request.
