SENATE No. 1152

By Mr. Keenan, a petition (accompanied by bill, Senate, No. 1152) of John F. Keenan, Dean A. Tran, Anne M. Gobi, Jonathan D. Zlotnik and other members of the General Court for legislation to improve access to behavioral health services. Mental Health, Substance Use and Recovery.

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-First General Court
(2019-2020)**

An Act to improve access to behavioral health services.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding any general or special law, rule or regulation to the
2 contrary, the Office of Medicaid shall develop a streamlined process to enhance the current
3 community-based behavioral health screening process and direct Medicaid contracted health
4 insurers, health plans, health maintenance organizations, behavioral health management firms
5 and third party administrators under contract to a Medicaid managed care organization or the
6 Medicaid primary care clinician plans to allow admission to inpatient behavioral health services
7 from a community-based setting where a patient is presenting with a behavioral health condition
8 that requires such admission but does not require a medical screening examination in an
9 emergency department. Said process shall be developed after consultation with a working group
10 that includes representatives from the Association for Behavioral Healthcare, Massachusetts
11 College of Emergency Physicians, Massachusetts Psychiatric Society, Massachusetts Health and
12 Hospital Association, National Alliance on Mental Illness, the Massachusetts Association of
13 Behavioral Health Systems, and all applicable carriers that cover such services. The Office of

14 Medicaid shall file a report on the status of the working group, progress of the streamlined
15 process, and, if necessary, legislative recommendations with the clerks of the senate and house of
16 representatives, the house and senate chairs of the joint committee on mental health, substance
17 use and recovery, the joint committee on public health, the joint committee on health care
18 financing and the house and senate committees on ways and means no later than six months after
19 the first meeting of the working group. A report of the final implemented streamlined process
20 shall be filed with said committees no later than July 31, 2020.
