The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Second General Court
(2021-2022)**

An Act relative to pain management treatment for certain chronic pain patients.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Subsection (b) of section 18A of chapter 94C of the General Laws, as appearing in the
2 2018 Official Edition, is hereby amended by inserting after the first sentence the following
3 sentence:-

4 Such an agreement shall include an initial urine drug test to establish a baseline
5 assessment of new patients to (1) identify the possible use or non-use of non-prescribed drugs or
6 illicit substances prior to prescribing the medication; or (2) to confirm the possible use or non-
7 use of a prescribed drug or drug class; and random urine drug testing at least once every twelve
8 months for drugs that are determined as medically appropriate for monitoring the patient; said
9 tests shall include medically appropriate presumptive and definitive testing and shall be deemed
10 medically necessary for the purposes of coverage under any and all health insurance policies

11 issued or renewed in the commonwealth, including Medicaid and managed Medicaid policies,
12 and subject to the same deductibles, coinsurance, and other cost sharing practices applied to
13 similar services under the plans. This section shall not apply to a prescription drug for patient
14 who is currently in active treatment for cancer, receiving hospice care from a licensed hospice or
15 palliative care, or is a resident of a long-term care facility, or to any medications that are being
16 prescribed for use in the treatment of substance abuse disorder.
