The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Third General Court
(2023-2024)**

An Act relative to fire safety education in schools and colleges.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 15A of the General Laws, as appearing in the 2020 Official
2 Edition, is hereby amended by adding the following section:- “Section 46. Establishment of a fire
3 safety curriculum. (a) For the purposes of this section, the following term shall, unless the
4 context clearly requires otherwise, have the following meaning:- “Institute of higher education”,
5 all postsecondary institutions including (i) the system of public institutions of higher education,
6 established in section 5; (ii) private occupational schools, as defined in section 263 of chapter
7 112; and (iii) private colleges, universities and other institutions of higher learning.

8 (b) All institutes of higher education shall require students to complete a comprehensive
9 fire safety curriculum from an expert source. The curriculum shall include instruction on fire
10 safety in a variety of scenarios, such as: fire prevention, fires in homes, in professional settings,

11 in vehicles, wild and brush fires, fires while cooking, while camping, electrical fires, heating
12 fires, smoking fires, solid, liquid and gas fires, smoldering fires, fast-burning fires, smoke
13 inhalation, carbon monoxide poisoning, and leaving a fire scene, and any other matter the
14 institution deems essential to the curriculum. Students shall complete an examination to test
15 student proficiency.

16 SECTION 2. Chapter 71 of the General Laws, as appearing in the 2020 Official Edition,
17 is hereby amended by adding the following section:- “Section 98. Establishment of a fire safety
18 curriculum. (a) For the purposes of this section, the following term shall, unless the context
19 clearly requires otherwise, have the following meaning:- “School”, every public or private
20 elementary and secondary school in the commonwealth; provided, however, that the term school
21 shall not include colleges and universities.

22 (b) All schools shall require students to complete a comprehensive fire safety curriculum
23 by the end of the 10th grade from an expert source. The curriculum shall include instruction on
24 fire safety in a variety of scenarios, such as: fire prevention, fires in homes, in professional
25 settings, in vehicles, wild and brush fires, fires while cooking, while camping, electrical fires,
26 heating fires, smoking fires, solid, liquid and gas fires, smoldering fires, fast-burning fires,
27 smoke inhalation, carbon monoxide poisoning, and leaving a fire scene, and any other matter the
28 institution deems essential to the curriculum. Students shall complete an examination to test
29 student proficiency.
