- (iii) The amount excluded from gross income by reason of this section shall be applied to reduce, but not below zero, the Massachusetts basis of the principal residence of the taxpayer.
- (iv) This section shall not apply to the discharge of a loan if the discharge is on account of services performed for the lender or any other factor not directly related to a decline in the value of the residence or to the financial condition of the taxpayer.
- (v) If any loan is discharged, in whole or in part, and only a portion of such loan qualifies under this section, this section shall apply only to so much of the amount discharged as exceeds the amount of the loan, as determined immediately before such discharge, which does not qualify. The principal residence exclusion shall take precedence over an insolvency exclusion unless elected otherwise.
- (vi) For the purposes of this section, the term "principal residence" shall have the same meaning as in section 121 of the Code.
- 23 SECTION 2. This Act shall apply to discharges of indebtedness on or after January 1, 24 2013.
- SECTION 3. The commissioner shall promulgate regulations to effectuate this provision.
