2 is hereby amended by striking out in its entirety section 8A and inserting in place thereof the
3 following new section:— Section 8A. There shall be in the department of housing and
4 community development a commission on Indian affairs. The commission, appointed by the
5 governor, shall consist of eleven members all of whom shall be of American Indian descent. Of
6 the eleven members, so appointed, six shall be a member of and represent one of the American
7 Indian major tribal groups of Massachusetts listed herein. The remaining membership of said
8 commission shall be made up of five members, selected at large, each of whom shall represent
9 one of the Indian groups other than the six major tribal groups aforementioned, based on the
10 Massachusetts Indian population as documented by the most recent United State Census. Each
11 member of said commission shall serve for a term of three years.

12 In order to insure equitable representation on said commission for all residents of the
13 commonwealth who are of American Indian descent, no one American Indian tribe, group,
14 subgroup, or organization, shall be granted more than one appointment to, or hold position on,

15 said commission. Of the five commission members at-large, no more than one commission
16 member shall reside in the same county as, nor represent, any one of the six tribal groups as
17 described in this act.

25 necessary for the proper conduct of its affairs, and may elect from its membership a chairman
26 and such other officers as required. The chairman and each officer shall serve for a term of one
27 year.

28 The commission shall investigate problems common to American Indian residents of the
29 commonwealth and to all residents of American Indian descent. It shall assist tribal councils,
30 American Indian organizations and individuals in their dealing with agencies of state and local
31 government, assist with social services, education, employment opportunities, health, housing
32 problems, civil rights, legal aid, treaties, taking of census of American Indian residents, and any
33 other rights or services concerning American Indian residents of the commonwealth.

34 The commission may make recommendations to the secretary of administration and finance
35 concerning programs and policies that will best serve the interest of the American Indian
36 residents of the commonwealth and shall make an annual report of its activities to said secretary
