An Act to promote safety, efficiency and accountability in transportation projects through public inspections.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Notwithstanding any general or special law to the contrary, public employees shall carry  
2 out the construction inspection functions for all surface transportation projects receiving State or  
3 Federal funding.

4           For the purposes of this act, the following terms shall have the following meanings:-

5           “Construction inspection functions”, construction engineering, contract administration,  
6 quality control inspection, material testing, and resident engineer and assistant resident engineer  
7 functions.

8           "Public employee", an employee of a Federal, State, or local government.
