Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 164 of the General Laws is hereby amended by inserting after section 34B the 2 following section:-

Section 34C. A distribution company or a telephone company engaging in the removal of

an existing pole and the installation of a new pole in place thereof that does not complete the

transfer of wires, all repairs, and the removal of the existing pole from the site within 90 days

6 from the date of installation of the new pole shall pay a fine of \$200 to the municipality where

7 the existing pole is located for every day after 90 days from the date of installation of the new

pole; provided, however, that for any approved commercial or industrial construction project, the

completion of which is expected to take longer than one year, said company shall pay a fine of

\$200 to the municipality where the existing pole is located for every day after 6 months from the

- date of installation of the new pole that the transfer of wires, all repairs, and the removal of the
- 12 existing pole from the site are not completed.
