Such review shall, at a minimum, assess compliance with the written agreement and any conditions imposed by the board of elementary and secondary education, and with the requirements of this section and any other applicable state and federal laws and regulations.

(l) Upon receipt of information regarding an education collaborative which, in the opinion of the commissioner, indicates the presence of circumstances at the collaborative that impede its viability or demonstrate deficiencies in programmatic quality or significant malfeasance, financial or otherwise, by any board member or employee of the collaborative, the commissioner may place such collaborative on probationary status to allow the implementation of a remedial plan. If such plan is unsuccessful, the commissioner may direct school districts and charter schools to withhold payments of public funds to the collaborative, and may, in consultation with the secretary of administration and finance, withhold state funds being directed to the collaborative; provided further that the board of elementary and secondary education may suspend or revoke for cause the written agreement of an education collaborative upon the recommendation of the commissioner. Any withholding of funds that occurs under this paragraph shall conclude when the commissioner finds and communicates in writing to the member school committees and member charter school boards that sufficient

corrective actions are being taken by the collaborative to address the concerns that resulted in the withholding of funds.

(m) The board of elementary and secondary education shall promulgate, amend and rescind rules and regulations as may be necessary to carry out this section. At a minimum, the board shall promulgate regulations which prescribe (1) requirements and standards for the amount of cumulative surplus revenue that may be held by an education collaborative at the end of a fiscal year and (2) requirements and guidelines for administrative proceedings conducted under subsection (l).

SECTION 2. The department of elementary and secondary education shall develop a model collaborative agreement that addresses the requirements and standards for approval within 6 months of the effective date of this act.
