

SENATE No. 2478

The Commonwealth of Massachusetts

SENATE, December 20, 2012

The committee on Ways and Means to whom was referred the House Bill relative to private construction and providing for an addendum to a pipefitter's license (House, No. 3158, amended), reports, in part, a "Bill relative to process piping" (Senate, No, 2478)

For the committee,

STEPHEN M. BREWER.

SENATE No. 2478

The Commonwealth of Massachusetts

In the Year Two Thousand Twelve

An Act relative to process piping.

Whereas, the deferred operation of this act would tend to defeat its purpose, which is to provide forthwith to ensure experienced and qualified persons engage in process piping, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

□

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 146 of the General Laws is hereby amended by striking out section
2 82, as appearing in the 2010 Official Edition, and inserting in place thereof the following
3 section:-

4 Section 82. The bureau shall adopt regulations for the examining and licensing of fire
5 sprinkler contractors, pipefitters, refrigeration technicians and sprinkler fitters, including the
6 classification of pipefitter licenses, which shall include, but not be limited to, pipefitter welder,
7 process piping and apprentice.

8 SECTION 2. Chapter 239 of the acts of 2012 is hereby amended by striking out section
9 52 and inserting in place thereof the following section:-

10 Section 52. The bureau of pipefitters, refrigeration technicians and sprinkler fitters shall
11 adopt regulations and issue procedures related to the process piping pipefitter license, under

12 section 82 of chapter 146 of the General Laws, not later than July 1, 2013. A person who was not
13 required to be licensed under section 84 of said chapter 146, who submits satisfactory proof to
14 the bureau of pipefitters, refrigeration technicians and sprinkler fitters that the person has been
15 actively engaged in process piping for a period of 4 years before the effective date of this act,
16 and who has applied for a license within 90 days after the effective date of the regulations
17 adopted under this section, shall, upon payment of the applicable fee and upon passing a written
18 examination, be issued a process piping pipefitter license. Any proof required to be submitted
19 under this section shall be accompanied by a statement under the penalties of perjury.
