SENATE, July 25, 2024.

The committee on Senate Ways and Means to whom was referred the House Bill authorizing the commissioner of Capital Asset Management and Maintenance to convey certain parcels of land to the city of Lowell (House, No. 4700); reports, recommending that the same ought to pass with an amendment striking out all after the enacting clause and inserting in place thereof the text of Senate document numbered 2896; and by inserting before the enacting clause the following emergency preamble:

"Whereas, The deferred operation of this act would tend to defeat its purpose, which is to authorize the commonwealth forthwith to convey certain parcels of land in the city of Lowell to the city of Lowell, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience."

For the committee,  
Michael J. Rodrigues
