121 (a) In addition to fulfilling the requirements of General Laws Chapter 71, §38R (relating  
122 to background checks for employment in schools), before a school or independent contractor  
123 may offer employment to an applicant who would be employed by or work in a school in a  
124 position involving direct contact with children, the school or independent contractor shall require  
125 the applicant to provide:

126 (1) A list, including name, address, telephone number and other relevant contact  
127 information of the applicant, including:

128 (i) Current employer

129 (ii) All former employers that were school entities

130 (iii) All former employers where the applicant was employed in positions that involved  
131 contact with children.

132 (2) A written authorization that consents to and authorizes disclosure by the applicant's  
133 current and former employers in subparagraph (1) of the information requested under  
134 subparagraph (3) and the release of related records and that releases those employers from  
135 liability that may arise from such disclosure or release of records pursuant to this section.

136 (3) A written statement of whether the applicant:

137 (i) has been the subject of an abuse or sexual misconduct investigation by any employer,  
138 State licensing agency, law enforcement agency or child protective services agency, unless the  
139 investigation resulted in a finding that the allegations were false;

140 (ii) has ever been disciplined, discharged, non-renewed, asked to resign from  
141 employment, resigned from or otherwise separated from any employment while allegations of  
142 abuse or sexual misconduct were pending or under investigation, or due to an adjudication or  
143 findings of abuse or sexual misconduct.; or

144 (iii) has ever had a license, professional license or certificate suspended, surrendered or  
145 revoked while allegations of abuse or sexual misconduct were pending or under investigation, or

148 the previous employer, regardless of whether the conduct occurred before, on or after the date of  
149 the passage of this law.

150 (b) Before a school or independent contractor may offer employment to an applicant who  
151 would be employed by or work in a school in a position involving contact with children, the  
152 school or independent contractor shall conduct a review of the employment history of the  
153 applicant by contacting those employers listed by the applicant and requesting the following  
154 information:

155 (1) The dates of employment of the applicant.

156 (2) A statement as to whether the applicant:

157 (i) was the subject of any abuse or sexual misconduct investigation by any employer,  
158 State licensing agency, law enforcement agency or child protective services agency, unless such  
159 investigation resulted in a finding that the allegations were false;

160 (ii) was disciplined, discharged, non-renewed, asked to resign from employment,  
161 resigned from or otherwise separated from any employment while allegations of abuse or sexual  
162 misconduct were pending or under investigation, or due to an adjudication or findings of abuse  
163 or sexual misconduct; or

166 due to an adjudication or findings of abuse or sexual misconduct.

167 (c) Before a school or independent contractor may offer employment to an applicant who  
168 would be employed by or in a school entity in a position involving direct contact with children,  
169 the school entity or independent contractor shall check the eligibility for employment or  
170 certification status of the applicant to determine whether the applicant holds valid and active  
171 certification appropriate for the position and is otherwise eligible for employment and whether  
172 the applicant has been the subject of professional discipline.

173 (d) An applicant who provides false information or willfully fails to disclose material  
174 required information shall be subject to discipline up to, and including, termination or denial of  
175 employment and may be subject to professional discipline in accordance with the regulations of  
176 the Department of Elementary and Secondary Education.

177 (e) No later than twenty (20) days after receiving a request for required information, an  
178 employer that has or had an employment relationship with the applicant shall disclose the  
179 information requested.

180 (1) The employer shall disclose the information on a standardized form developed by the  
181 Department of Elementary and Secondary Education.

182 (2) After reviewing the information initially disclosed under Chapter \_\_, section 2(a) and  
183 finding an affirmative response to subsection (3) (i), (ii) or (iii), or disclosed under section 2(b)  
184 and finding an affirmative response to subsection (2) (i) (ii) or (ii0), where the prospective  
185 employing school or contractor makes a determination to further consider the applicant for  
186 employment, the school or contractor shall request that former employers provide any additional  
187 material information about the matters disclosed and all related records.

188 (3) Former employers shall provide the additional information requested no later than  
189 sixty (60) days after the prospective employer's request under this paragraph.

190 (4) Information received under this section shall not be deemed a public record for the  
191 purposes of General Laws Chapter 66, §10.

192 (5) A school that receives the information under this subsection may use the information  
193 for the purpose of evaluating an applicant's fitness to be hired or for continued employment and  
194 may report the information as appropriate to the Department of Elementary and Secondary  
195 Education, a State licensing agency, law enforcement agency, child protective services agency,  
196 another school, and/or prospective employer.

197 (f) A school or independent contractor may hire an applicant on a provisional basis for a  
198 period not to exceed ninety (90) days pending the school entity's or independent contractor's  
199 review of information and records received under this section, provided that all of the following  
200 are satisfied:

201 (1) The applicant has provided all of the information and supporting documentation  
202 required.

203 (2) The school administrator has no knowledge of information pertaining to the applicant  
204 that would disqualify the applicant from employment.

205 (3) The applicant swears or affirms that the applicant is not disqualified from  
206 employment.

207 (4) The applicant is not permitted to work alone with children and works in the  
208 immediate vicinity of a permanent employee.

209 (g) A school or independent contractor may not enter into a collective bargaining  
210 agreement, an employment contract, an agreement for resignation or termination, a severance  
211 agreement or any other contract or agreement or take any action that:

212 (1) has the effect of suppressing information relating to an investigation of a report of  
213 suspected abuse or sexual misconduct by a current or former employee;

214 (2) affects the ability of the school or independent contractor to report suspected abuse or  
215 sexual misconduct to the appropriate authorities; or

216 (3) requires the school or independent contractor to expunge information about  
217 allegations or findings of suspected abuse or sexual misconduct from any documents maintained

218 by the school or independent contractor, unless after investigation the allegations are found to be  
219 false.

220 (4) Any provision of an employment contract or agreement for resignation or termination  
221 or a severance agreement that is executed, amended or entered into after the effective date of this  
222 section and that is contrary to this section shall be void and unenforceable. Any provision of such  
223 contract or agreement executed, amended or entered into prior to the effective date of this section  
224 and that is contrary to this section shall be void and unenforceable.

225 (h) For substitute employees, the employment history review required by this section  
226 shall be required only prior to the initial hiring of a substitute or placement on the school entity's  
227 approved substitute list and shall remain valid as long as the substitute continues to be employed  
228 by the same school entity or remains on the school entity's approved substitute list.

229 (1) A substitute seeking to be added to another school entity's substitute list shall  
230 undergo a new employment history review. The appearance of a substitute on one school entity's  
231 substitute list does not relieve another school entity from compliance with this section.

232 (2) An employment history review conducted upon initial hiring of a substitute employee  
233 by an independent contractor, intermediate unit or any other entity that furnishes substitute  
234 staffing services to school entities shall satisfy the requirements of this section for all school  
235 entities using the services of that independent contractor, intermediate unit or other entity.

236 (3) An independent contractor, intermediate unit or any other entity furnishing substitute  
237 staffing services to school entities shall comply with the provisions of this Act.

238 (4) For purposes of this subsection, "substitute employee" shall not mean school bus  
239 drivers employed by an independent contractor.

240 (i) For employees of independent contractors, the employment history review required  
241 by this section shall be performed, either at the time of the initial hiring of the employee or prior  
242 to the assignment of an existing employee to perform work for a school entity in a position  
243 involving direct contact with children. The review shall remain valid as long as the employee  
244 remains employed by that same independent contractor, even though assigned to perform work  
245 for other school entities.

246 (1) An independent contractor shall maintain records documenting employment history  
247 reviews for all employees as required by this section and, upon request, shall provide a school  
248 entity for which an employee is assigned to perform work access to the records pertaining to that  
249 employee.

250 (2) Prior to assigning an employee to perform work for a school in a position involving  
251 direct contact with children, the independent contractor shall inform the school of any instance  
252 known to the independent contractor in which the employee:

253 (i) was the subject of any abuse or sexual misconduct investigation by any employer,  
254 State licensing agency, law enforcement authority or child protective services agency, unless  
255 such investigation resulted in a finding that allegations are false;

256 (ii) has ever been disciplined, discharged, non-renewed, removed from a substitute list,  
257 asked to resign from employment, resigned from or otherwise separated from any employment  
258 while allegations of abuse or sexual misconduct as described in subparagraph (i) were pending or  
259 under investigation, or due to an adjudication or findings of abuse or sexual misconduct;; or

260 (iii) has ever had a license, professional license or certificate suspended, surrendered or  
261 revoked while allegations of abuse or sexual misconduct were pending or under investigation, or  
262 due to an adjudication or findings of abuse or sexual misconduct.

263 (3) The independent contractor may not assign the employee to perform work for the  
264 school in a position involving direct contact with children where the school objects to the  
265 assignment after being informed of an instance of abuse or sexual misconduct.

266 (4) An applicant who has once undergone the employment history review required and  
267 seeks to transfer to or provide services to another school in the same district, diocese or religious  
268 judicatory or established and supervised by the same organization shall not be required to obtain  
269 additional reports before making such transfer.

270 (j) An employer, school, school administrator or independent contractor who in good  
271 faith provides information or records including personnel records about a current or former  
272 employee's job performance and professional conduct to a prospective school employer or to the  
273 Department of Elementary of Secondary Education shall be immune from criminal and civil  
274 liability for the disclosure or any consequences of the disclosure, unless the information or  
275 records were provided with the knowledge that they were false . Such immunity shall be in  
276 addition to and not in limitation of any other immunity provided by law or any absolute or  
277 conditional privileges applicable to such disclosures by virtue of the circumstances or the  
278 applicant's consent thereto.

279 (1) Except where the laws of other states prevent the release of the information or  
280 records requested, or disclosure is restricted by the terms of a contract entered into prior to the  
281 effective date of this section, the willful failure of a former employer, school entity, school

282 administrator or independent contractor to respond or provide the information and records as  
283 requested may result in civil penalties, and professional discipline where appropriate.

284 (2) Notwithstanding any provision of law to the contrary, an employer, school, school  
285 administrator, independent contractor or applicant shall report and disclose in accordance with  
286 this section all relevant information, records and documentation that may otherwise be  
287 confidential under General Laws Chapter 66, §10.

288 (3) A school or independent contractor may not hire an applicant who does not provide  
289 the information required under SECTION 4. (ii) (A), (B), or (C) for a position involving contact  
290 with children.

291 (k) Nothing in this section shall be construed:

292 (1) To prevent a prospective employer from conducting further investigations of  
293 prospective employees or from requiring applicants to provide additional background  
294 information or authorizations beyond what is required under this section, nor to prevent a former  
295 employer from disclosing more information than what is required under this section.

296 (2) To relieve a school, school administrator or independent contractor of its legal  
297 responsibility to report suspected incidents of abuse in accordance with the provisions of Chapter  
298 119, section 51A or misconduct by a licensed educator in accordance with the reporting  
299 requirements of the Department of Elementary and Secondary Education.

300 (3) To relieve a school, school administrator or independent contractor of its legal  
301 responsibility to report suspected incidents of professional misconduct in accordance with

302 Chapter 119, section 51A or misconduct by a licensed educator in accordance with the reporting  
303 requirements of the Department of Elementary and Secondary Education.

304 (4) To prohibit the right of the exclusive representative under a collective bargaining  
305 agreement to grieve and arbitrate the validity of an employee's termination or discipline for just  
306 cause or for the causes set forth in this act.

307 (5) The Department of Elementary and Secondary Education shall have jurisdiction to  
308 determine willful violations of this section and may, following a hearing, assess a civil penalty  
309 not to exceed ten thousand dollars (\$10,000). School entities shall be barred from contracting  
310 with an independent contractor who is found to have willfully violated the provisions of this  
311 section.

312 (6) Notwithstanding any provision of law to the contrary, the Department of Elementary  
313 and Secondary Education may initiate disciplinary action before a hearing officer pursuant its  
314 regulations, against any applicant, employee, independent contractor or school administrator for  
315 willful violations of this section.

316 (7) The Department of Elementary and Secondary Education may adopt rules and  
317 regulations establishing procedures relating to disciplinary proceedings and the assessment of  
318 penalties in connection with this section.

319 Section 5. Responsibilities of the MA Department of Elementary and Secondary  
320 Education

321 (1) Access to Information

322 At any stage of an investigation or proceeding conducted within the scope of the  
323 Department's authority, the Commissioner may request and shall receive from school districts  
324 and any public or private school in the Commonwealth, including an approved private school for  
325 special education, any and all relevant information and documents relating to the investigation or  
326 proceeding. Such information and documents includes but is not limited to complete personnel
