—————

An Act relative to psychotropic medications.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 111 of the General Laws, as appearing in the 2010 Official Edition, is hereby
2 amended by inserting after section 72AA the following section:—

3 Section 72BB. Prior to administering a psychotropic medication to a resident, a nursing
4 home, rest home, or other long term care facility shall obtain informed written consent from the
5 resident, the resident’s health care proxy, or a court appointed Rogers guardian. The written
6 consent form shall state the purpose, use and any effects or side effects of the psychotropic
7 medication. Such written consent form shall be kept in the resident’s medical record. As used in
8 this section, “psychotropic medication” shall mean a chemical substance that acts primarily upon
9 the central nervous system where it alters brain function, resulting in temporary changes in
10 perception, mood, consciousness and behavior.
