An Act relative to rest homes.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           Section 1. Section 72 of chapter 111 of the General Laws is hereby amended by inserting  
2 the following:-

3           The department shall establish regulations for rest homes that are separate and distinct  
4 from those regulations governing nursing homes. Such regulations should ensure requirements  
5 that are consistent with current care practices and reflect the unique needs of the population that  
6 reside in rest homes in contrast to those that reside in nursing homes. Such regulations for rest  
7 homes shall allow for locks on the doors of resident rooms in order to ensure resident privacy.

8           Section 2. In developing proposed regulations for rest homes, the Department shall  
9   consult with Leading Age Massachusetts and the Massachusetts Association of Residential Care  
10 Homes (MARCH).
