SENATE No. 00392

By Mr. Timilty, petition (accompanied by bill, Senate, No. 392) of Beaton and Timilty for legislation relative to the conservation of Atlantic striped bass [Joint Committee on Environment, Natural Resources and Agriculture].

The Commonwealth of Massachusetts

—————
In the Year Two Thousand Eleven
—————

An Act relative to the conservation of Atlantic striped bass.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 100A of chapter 130 of the General Laws, as appearing in the
2 2008 Official Edition, is hereby amended by striking the section in its entirety and inserting in
3 place thereof the following Section:-

4 Section 100A. (a) Commercial harvesting and sale of wild striped bass shall be
5 prohibited in the commonwealth. The director, with the approval of the marine fisheries advisory
6 commission, shall adopt rules and regulations relative to the taking or possession of wild striped
7 bass by recreational angling, provided that in no instance shall any rule or regulation authorize
8 the taking or possession of striped bass which are less than 20 inches in length or greater than 26
9 inches total length but less than 40 inches total length. It is unlawful to take or possess striped
10 bass unless the fish are whole with head on and are between 20 and 26 inches total length or 40
11 inches and greater total length.

12 (b) It is unlawful to take or possess more than one (1) striped bass each day.

13 (c) All aquaculture raised striped bass for sale in the commonwealth shall bear the
14 tag of the grower or distributor of the fish.

15 (d) Whoever violates any rules or regulations made pursuant to this section shall be
16 punished by a fine of not less than two hundred dollars for each fish taken or possessed for the
17 first violation, five hundred dollars for each fish taken or possessed for the second violation and
18 for each subsequent violation shall be fined one thousand dollars for each fish taken or possessed
19 or imprisoned not more than sixty days or both. No part of any fine imposed for the taking or
20 possession of any striped bass in violation of any such regulation shall be remitted.

21 (e) The striped bass quota for commercial fishing provided to the Commonwealth of
22 Massachusetts by the Atlantic States Marine Fisheries Commission shall not be added to
23 recreational fishing quotas. Said quota shall be set aside for conservation and the Director of the
24 Division of Marine Fisheries shall use his best efforts in working with the Commission to see
25 that the amount of this quota is not given to other states but remains the property of the
26 Commonwealth to be used for conservation of striped bass.
