## The Commonwealth of Massachusetts

In the One Hundred and Ninety-First General Court (2019-2020)

An Act to reduce disposable plastic straw waste.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 SECTION 1. Chapter 140 of the General Laws, as appearing in the 2016 Official Edition,
- 2 is hereby amended by inserting after section 6B, the following section:-
- 3 Section 6C: (a) As used in this section, the following terms shall have the following
- 4 meanings:
- 5 "Biodegradable materials", compostable materials such as wood, paper, bagasse, or other
- 6 cellulose fiber composite. Materials composed of biologically based polymers that do not
- 7 reliably biodegrade in aquatic environments are not considered biodegradable.
- 8 "Consumer", a person receiving food or beverages from a food service establishment.
- 9 "Department", the Department of Environmental Protection.
- "Food service establishment", an operation that stores, prepares, serves, vends, or
- 11 otherwise provides food for human consumption. Food service establishments include without

- limitations full-service restaurants, food trucks, self-service food establishments, and fast-food
  establishments.
  - "Single-use plastic straw", a single-use, disposable drinking straw made of plastic derived from petroleum-based polymers or non-biodegradable biological polymer. A single-use plastic straw does not include reusable drinking straws or straws made from biodegradable material.
- 18 "Reusable straw", a drinking straw that can be appropriately cleaned and sanitized for customer reuse.
  - (b) A food service establishment may not provide a single-use plastic straw unless requested by a consumer or selected by the consumer from a self-service dispenser.
  - (c) The department shall promulgate regulations with regard to the enforcement of this chapter.
- SECTION 2. This act shall go into effect on January 2, 2021.
