6 (B) Any policy, contract, agreement, plan or certificate of insurance issued, delivered or
7 renewed within the commonwealth that provides medical expense coverage shall provide
8 coverage for long-term antibiotic therapy of Lyme disease when determined to be medically

17 shall provide coverage for long-term antibiotic therapy of Lyme disease when determined to be
18 medically necessary and ordered by a licensed physician after making a thorough evaluation of
19 the patient's symptoms, diagnostic test results or response to treatment. Treatment otherwise
20 eligible for benefits pursuant to this section shall not be denied solely because such treatment
21 may be characterized as unproven, experimental, or investigational in nature.

24 Section 4GG. Any subscription certificate under an individual or group medical service
25 agreement delivered, issued, or renewed within the commonwealth shall provide coverage for
26 long-term antibiotic therapy of Lyme disease when determined to be medically necessary and
27 ordered by a licensed physician after making a thorough evaluation of the patient's symptoms,
28 diagnostic test results or response to treatment. Treatment otherwise eligible for benefits
29 pursuant to this section shall not be denied solely because such treatment may be characterized
