Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Chapter 167I of the General Laws is hereby amended by striking section 4 and inserting in place thereof the following section:-

Section 4. Any 1 or more mutual banks or subsidiary banking institutions and any 1 or more credit unions, or federal credit unions may merge or consolidate into a single mutual bank, subsidiary banking institution, or credit union upon terms approved by a vote of at least 2/3 of the board of each mutual bank and the board of directors of each credit union, and shall have been approved in writing by the commissioner. The terms of any such merger or consolidation shall be approved by the voting body of each mutual bank and the shareholders of each credit union in the manner prescribed herein. A request for such approval by the commissioner shall be accompanied by an investigation fee, the amount of which shall be determined annually by the secretary of administration and finance pursuant to section 3B of chapter 7, a copy of the terms of any agreement reached by the respective boards and certified copies of the votes of such boards. If the commissioner, after such notice and hearing as the commissioner may require, is

satisfied that a merger or consolidation may be effected on terms approved by the commissioner and finds that such merger or consolidation is in the interests of the depositors, shareholders or members of the institutions concerned, such merger or consolidation may be approved by the commissioner subject to the commissioner's direction. In making a finding that any such merger or consolidation is in the interests of depositors, shareholders or members, the commissioner shall also determine whether competition among banking institutions or credit unions will be unreasonably affected and whether public convenience and advantage will be promoted. In making such determination, the commissioner shall consider, at a minimum, a showing of net new benefits. For the purposes of this section, the term "net new benefits" shall include initial capital investments, job creation plans, consumer and business services, commitments to maintain and open branch offices within the bank or credit union's delineated community, as such term is used within section 14 of chapter 167, and such other matters as the commissioner may deem necessary or advisable.

Before becoming effective, any merger or consolidation authorized by this section, hereinafter referred to as a "consolidation", shall have been approved by a vote of at least 2/3 of the voting body of each mutual bank, subsidiary banking institution or credit union present, qualified to vote and voting at a meeting specially called to consider the subject and approved by a vote of at least a majority of the members, corporators or shareholders of each credit union or bank present, qualified to vote and voting at a meeting specially called for that purpose. Notice for such meetings shall be given in accordance with the relevant provisions of law. A certificate under the hands of the presidents and clerks or other duly authorized officers of all merging or consolidating corporations and credit unions setting forth that each institution, respectively, has complied with the requirements of this section shall be submitted to the commissioner who, if

approving such consolidation, shall endorse such approval upon such certificate. No such transaction under this section shall be consummated until arrangements satisfactory to any excess deposit insurer of each such bank or credit union, if applicable, have been made and notice thereof has been received by the commissioner.

The offices and depots of any credit union or bank merged or consolidated under this section may be maintained as branch offices or depots of the continuing corporation with the written permission of, and under such conditions, if any, as approved by the commissioner.

SECTION 2. Said chapter 167I is hereby further amended by striking out section 10 and inserting in place thereof the following section:-

Section 10. A credit union may convert to a mutual bank and a mutual bank may convert to a credit union pursuant to section 80A of chapter 171. A federally-chartered credit union may convert to a mutual bank and a mutual bank may convert to a federally-chartered credit union pursuant to the Federal Credit Union Act subject to the approval of the commissioner under such conditions as may be imposed by the commissioner and subsection (m) of section 80A of chapter 171.

SECTION 3. Chapter 171 of the General Laws is hereby amended by striking out section 78A and inserting in place thereof the following section:-

Section 78A. Any 1 or more credit unions may merge or consolidate with 1 or more savings banks, as defined in section 1 of chapter 168, or 1 or more co-operative banks, as defined in section 1 of chapter 170, or 1 or more subsidiary banking institutions, as defined in section 1 of chapter 167H and section 4 of chapter 167I. Any 1 or more savings banks, as defined in section 1 of chapter 168, co-operative banks, as defined in section 1 of chapter 170, or 1 or more

subsidiary banking institutions, as defined in section 1 of chapter 167H and section 4 of chapter 167I may merge or consolidate with 1 or more credit unions.

SECTION 4. Said chapter 171 is hereby further amended by striking out section 80A and inserting in place thereof the following section:-

Section 80A. (a) A credit union subject to this section may convert into a federal credit union, a mutual savings bank governed by chapter 168, a mutual co-operative bank governed by chapter 170, a mutual federal savings bank or a mutual federal savings and loan association which exist under authority of the United States. A mutual savings bank governed by chapter 168 or a mutual co-operative bank governed by chapter 170 may convert into a credit union. If permissible under federal law, a mutual federal savings bank or a mutual federal savings and loan association may convert into a credit union. The conversion shall comply with all applicable federal laws and regulations. A credit union insured by the Massachusetts Credit Union Share Insurance Corporation shall file notification of its intent to convert with said corporation at least 90 days before the date of the proposed special meeting of the members of the credit union. A mutual savings bank insured by the Deposit Insurance Fund shall file notification of its intent to convert with said Fund at least 90 days before the date of the proposed special meeting of the corporators of the mutual savings bank. A mutual co-operative bank insured by The Co-operative Central Bank shall file notification of its intent to convert with said Bank at least 90 days before the date of the proposed special meeting of the shareholders of the mutual co-operative bank. No credit union, mutual savings bank, or co-operative bank may convert pursuant to this section so long as any financial assistance provided by said corporation to such credit union, mutual savings bank, or co-operative bank remains unpaid or has not been

compromised or settled. Any such repayment, compromise or settlement shall be approved by the commissioner.

- (b) The converting institution shall file with the commissioner, at the same time, notices, disclosures and communications required by or sent to the National Credit Union Administration or the Federal Deposit Insurance Corporation. The commissioner may require changes and additions to said notices, disclosures or communications, except as required by federal law or regulation.
- (c) A converting financial institution that is adequately capitalized and has received at least a satisfactory rating in its most recent examination for compliance with the Community Reinvestment Act may submit a plan of conversion approved by a 2/3 vote of the entire board of directors or trustees, as the case may be, to the commissioner. Unless waived by the commissioner, the plan shall include but not be limited to:
- (1) a 3 year business plan for the appropriate chartered institution which shall include pro forma financial statements for the resulting institution;
- (2) in the case of a conversion to a bank charter, a commitment by the converting institution that it will not convert to a stock form before the expiration of 1 year of the effective date of the conversion to a mutual bank charter;
 - (3) an estimated budget for conversion expenses;
- (4) financial statements for the most recently completed quarter;

(5) if applicable, the procedures and timing for termination of excess deposit insurance from the Massachusetts Credit Union Share Insurance Corporation, The Depositors Insurance Fund or the Co-operative Central Bank, as the case may be; and

- (6) other relevant information that the commissioner may reasonably require.
- (d) Included with the plan shall be an information statement to be sent to corporators, shareholders or members, as the case may be, of the converting institution which shall fully and fairly disclose all significant terms and steps to be taken for the conversion and shall include but not be limited to:
 - (1) a statement as to why the board is considering the conversion;
- (2) a statement of the major positive and negative business effects of the proposed conversion;
- (3) the impact on the corporator's, shareholder's or member's financial and other interests in the resulting financial institution;
- (4) in the case of a credit union converting to a bank charter, a disclosure that the conversion from a credit union to a mutual bank could lead to a member losing ownership interest in the credit union if the mutual bank subsequently converts to a stock institution and the member does not become a stockholder; and
- (5) in the case of a credit union converting to a bank charter, a disclosure of any conversion related economic benefit a director or senior management official may receive including receipt of or an increase in compensation and an explanation of any foreseeable stock related benefits associated with a subsequent conversion to a stock institution; the explanation of

stock related benefits shall include a comparison of the opportunities to acquire stock that are available to officials and employees, with those opportunities available to the general membership.

- (e) A converting institution shall file with the commissioner a plan of conversion and an information statement at least 120 days before the date of the proposed special meeting of the corporators, shareholders or members, as the case may be. The commissioner may require reasonable changes to the plan of conversion and information statement. The commissioner may also require any equitable disclosure he determines applicable to the proposed conversion. The commissioner may specify the form, type and other material aspects of the plan of conversion and information statement to be sent to corporators, shareholders or members, as the case may be, except to the extent that it does not conflict with federal law or regulation.
- (f) The commissioner shall review the contents of the plan before the board of directors or trustees of the converting institution presents the conversion plan to the corporators, shareholders or members, as the case may be, for a vote. The commissioner shall authorize the distribution of the conversion plan and information statement only if the commissioner is satisfied of all of the following:
- (1) the plan discloses to the corporators, shareholders or members, as the case may be, information concerning the advantages and disadvantages of the proposed conversion;
- (2) the information statement discloses the impact on the corporator's, shareholder's or member's financial and other interests in the resulting institution; and

(3) the conversion would not be made to circumvent a pending supervisory action that is initiated by the commissioner or other regulatory agency because of a concern over the safety and soundness of the converting institution.

- (g) The commissioner shall render a decision within 30 days from the date of the filing of the plan or any amendment thereof. Upon authorization by the commissioner of the distribution of the contents of the conversion plan and information statement, the converting institution shall call a special meeting of the corporators, shareholders or members, as the case may be, to vote on the conversion plan. At least 30 days before the special meeting, the converting institution shall mail to each corporator, shareholder or member, as the case may be, a notice of the special meeting, the conversion plan and information statement.
- (h) The plan of conversion shall be approved by a majority vote of those corporators, shareholders or members voting. A corporator, shareholder or member may vote on the proposal to convert in person at the special meeting held on the date set for the vote or by written ballot filed by the qualified voter. The vote on the conversion proposal shall be by secret ballot and conducted by an independent entity. The independent entity shall be a company with experience in conducting corporate elections. A director or officer of the converting institution, or an immediate family member of a director or officer, shall not have an ownership interest in, or be employed by, the entity.
- (i) A converting institution or an officer or director thereof shall not directly or indirectly give or offer or provide a chance to win a lottery or anything of substantial value, as determined by the commissioner, to a member or a director of the credit union, to a corporator or a trustee of

a mutual savings bank or a shareholder or a director of a mutual co-operative bank for an action related to the conversion or as an inducement to vote on the plan of conversion.

- (j) The provisions on notice to corporators, shareholders or members, as the case may be, and voting procedures in this section shall govern the process for converting to a mutual bank or credit union notwithstanding other provisions of this chapter or a by-law of the converting institution to the contrary.
- (k) Certified copies of the results of the board of the converting institution and votes of the respective corporators, shareholders or members, as the case may be, shall be filed with the commissioner. The converting institution shall also certify that the information statement, plan, and other written materials provided to corporators, shareholders or members were identical to those materials considered satisfactory by the commissioner.
- (l) If the commissioner disapproves of the methods by which the votes were taken or the procedures applicable to the votes, the commissioner may direct that a new vote be taken. If the commissioner does not disapprove of the methods by which the membership or board vote was taken within 10 days after the notification is given, the vote shall be considered approved.
- (m) If the conversion to a mutual savings bank or a mutual co-operative bank is approved by the credit union members and the commissioner receives notification from the converting credit union that approvals required under state and federal law and regulations, including approvals needed for deposit insurance by the Federal Deposit Insurance Corporation have been obtained, and that any waiting period prescribed by federal law has expired, and in the case of conversion to a mutual savings bank, it will become a member of the Depositors Insurance Fund and of the deposit insurance fund thereof and has made all applicable payments thereto as

determined by the commissioner, or in the case of conversion to a mutual co-operative bank it shall become a member of The Co-operative Central Bank and of the share insurance fund thereof and has made all applicable payments thereto as determined by the commissioner, a certificate to transact business shall be issued by the commissioner as applicable. A conversion to a state chartered savings bank or a state chartered co-operative bank under this section shall not be consummated until arrangements satisfactory to the Depositors Insurance Fund or The Co-operative Central Bank have been made and notice thereof has been received by the commissioner. After receipt of the certificate to transact business, the converting credit union shall promptly file the certificate and its articles of organization with the secretary of state. Upon the filing, the charter of the converting credit union shall automatically cease and the converting credit union shall cease to be a credit union and shall become a mutual savings bank or a mutual co-operative bank. Upon the conversion, the converted mutual bank shall possess all of the rights, privileges and powers granted to it by its articles of organization and by the laws applicable to the type of mutual bank charter into which it converted, and all of the assets and business of the converting credit union shall be transferred to and vested in it without any deed or instrument of conveyance; but the converting credit union may execute a deed or instrument of conveyance as is convenient to confirm the transfer. The converted mutual bank shall be subject to all of the duties, relations, obligations and liabilities of the converting credit union, whether as debtor, depository or otherwise, and shall be liable to pay and discharge the debts and liabilities, to perform all the duties in the same manner and to the same extent as if the converted mutual bank had itself incurred the obligation or liability or assumed the duty or relation. Rights of creditors of the converting credit union and liens upon the property of such credit union shall be preserved unimpaired and the converted mutual bank shall be entitled to receive, accept,

If the conversion to a credit union is approved by the board of the converting mutual bank, and its corporators or shareholders, and the commissioner receives notification from the converting mutual bank that approvals required under state and federal law and regulations. including approvals needed for insurance by the National Credit Union Administration have been obtained, and that any waiting period prescribed by federal law has expired, and it will become a member of the Massachusetts Credit Union Share Insurance Corporation and of the share insurance fund thereof and has made all applicable payments thereto as determined by the commissioner, a certificate to transact business shall be issued by the commissioner as applicable. A conversion to a credit union under this section shall not be consummated until arrangements satisfactory to the Massachusetts Credit Union Share Insurance Corporation have been made and notice thereof has been received by the commissioner. After receipt of the certificate to transact business, the converting mutual bank shall promptly file the certificate and its articles of organization with the secretary of state. Upon the filing, the charter of the converting mutual bank shall automatically cease and the converting mutual bank shall cease to be a mutual bank and shall become a credit union. Upon the conversion, the converted credit union shall possess all of the rights, privileges and powers granted to it by its articles of organization and by the laws applicable to the type of credit union charter into which it converted, and all of the assets and business of the converting mutual bank shall be transferred to and vested in it without any deed or instrument of conveyance; but the converting mutual bank may execute a deed or instrument of conveyance as is convenient to confirm the transfer. The

converted credit union shall be subject to all of the duties, relations, obligations and liabilities of the converting mutual bank, whether as debtor, depository or otherwise, and shall be liable to pay and discharge the debts and liabilities, to perform all the duties in the same manner and to the same extent as if the converted credit union had itself incurred the obligation or liability or assumed the duty or relation. Rights of creditors of the converting mutual bank and liens upon the property of such mutual bank shall be preserved unimpaired and the converted credit union shall be entitled to receive, accept, collect, hold and enjoy all gifts, bequests, devises, conveyances and appointments in favor of or in the name of the converting mutual bank and whether made or created to take effect before or after the conversion.

- (n) If the conversion to a federal chartered institution is approved by the Board of the converting institution and by the corporators, shareholders or members, as the case may be, the converting institution shall provide notification to the commissioner that all approvals under state and federal law and regulations including approvals needed for deposit insurance by the Federal Deposit Insurance Corporation or the National Credit Union Administration have been obtained and that any waiting period prescribed by federal law has expired and shall provide a certified copy of the approval of the federal mutual charter by the appropriate regulatory agency of the federal government. Upon acceptance of the federal charter, the converting institution's charter from the commonwealth shall cease to exist.
- (o) A person who willfully violates the disclosure provisions of this section knowing the disclosure made to be false or misleading in a material respect shall upon conviction be fined not more than \$5,000 or imprisoned not more than 3 years, or both.
