

SENATE No. 566

The Commonwealth of Massachusetts

PRESENTED BY:

Karen E. Spilka

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the passage of the accompanying bill:

An Act to address the lack of sex-specific data in Massachusetts.

PETITION OF:

NAME:

DISTRICT/ADDRESS:

Karen E. Spilka

Second Middlesex and Norfolk

Chris Walsh

6th Middlesex

SENATE No. 566

By Ms. Spilka, a petition (accompanied by bill, Senate, No. 566) of Karen E. Spilka and Chris Walsh for legislation to address the lack of sex-specific data in Massachusetts. Health Care Financing.

The Commonwealth of Massachusetts

—————
In the Year Two Thousand Thirteen
—————

An Act to address the lack of sex-specific data in Massachusetts.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Subsection (e) of section 2G of Chapter 224, as added by section 60 of
2 chapter 224 of the acts of 2012, is hereby amended by inserting, at the end of the first paragraph,
3 the following sentences:-

4 In the case of any study in which women, racial and ethnic minorities, and low income
5 individuals are included in studies funded by the fund, the commissioner shall ensure that the
6 study is designed and carried out in a manner sufficient to provide for a valid analysis of whether
7 the studied variables affect women, racial and ethnic minorities, and low income individuals
8 differently than other populations in the study. Study data should be stratified, analyzed, and
9 reported by sex and sex-race groups.

10 SECTION 2. Chapter 12C of the General Laws, as added by section 19 of chapter 224 of
11 the acts of 2012, is hereby amended by inserting, after section 6, the following section:-

12 6A. The center shall annually conduct a survey of health insurance coverage which
13 includes, but is not limited to, information gathered by the Massachusetts Health Insurance
14 Survey, so called. The results of the survey shall be publically reported with data that is stratified
15 by sex, sex-race, and sex-race-socioeconomic status.
